Next Meeting - September 12th
Start Time is 11:30am

Sneaky Pete's
2 Eagle Point Rd.
Lewisville, Texas 75077
972-434-2500

Right now, all I can think about is cooler weather and fall. That's a great time of year in our Club, because we get to present checks to our Lone Star Corvette Classic beneficiaries.

This year we'll be making donations totaling \$25,000 to three great organizations: Defenders of Freedom, Speedway Children's Charities, and the National Corvette Museum. The Museum check will be presented at an NCM Open Board Meeting in September, and the Speedway Children's Charities check will be given to their Board members at the truck races at TMS in November.

Our third beneficiary, Defenders of Freedom, will be with us at our September Club meeting, at Sneaky Pete's in Lewisville. I hope all of you will be there to share in the excitement as they receive their check.

The September meeting this year will also be our 1st Open Board Meeting. Not only will you be able to observe the club leadership at work, you'll get the chance to decide if an Officer position is something you're interested in. Nominations for 2016 Officers begin in October and conclude in November. Many positions this year are held by members who are completing their 2nd and last year of eligibility: President, Vice-President, Treasurer, Competitive Events, Technical, and Classic Officer. If you have completed 12 months of membership as of the month you are nominated, you are eligible to serve. There's lots of work involved, but it's also lots of fun, and you will make some solid friendships. If you want more information about any of these positions, email me with your questions. I'm happy to share!

Okay, I'm feeling better and it's cooling off a bit.

See you down the road!

2ND GEAR

Rick Herrick, LSCC Vice-President

Please make an extra effort to attend the meeting this month at Sneaky Pete's on September 12. There will be an open board meeting beginning at 9:30. Board meetings are open unless there is an issue that needs to be considered in executive session.

Big thanks to **Charlie Richerson** for stepping up as coordinator for Boerne and to **Ron Spinek** for his assistance with membership. Also thanks to **Linda Shellberg** for taking on the position of Public Relations Manager.

We still need volunteers for MECUM. Ask your friends if they might want to participate as membership in LSCC is not a requirement. COTA is a competing event and is taking some who typically volunteer away. MECUM is a fun event – during prime time, you'll get some gems and you may be on TV. At other times your skills will be challenged as to even how to start the car. Check your schedule and sign up if possible. A member may sign up three companions. If that doesn't work, email the contact information to Craig Satterfield at icu-corvette02@swbell.com. It's fun and the club gets paid for our participation. Proceeds go to charity.

The Cowboy's played their first meaningless pre-season game and school is about to start. All to say summer is about over and the fall events begin. Eureka Springs and Sulphur Springs are popular shows with quite a few signed up. Check those and other events out on the calendar.

SAVE THE DATE: Veterans Day Parade on November 11th. Like last year, we will need 40 cars for WWII veterans and 30 cars for Korean War Veterans. Website sign up coming soon. Well, there is big excitement at our house. We recently purchased a 2016 Stingray from Classic Chevrolet. We've had many Corvettes but never a new one. So we sprang for two extra options – watch it be built and NCM delivery. Our build date is 8/24 with completion the next day. Pick up will be but sometime in early September. Since we're going to the NCM anniversary celebration, we'll be seeing a lot of Bowling Green.

Thank you Classic Chevrolet and The Thompson Group for being fantastic sponsors.

Almost everyone is familiar with Museum Delivery of your new Corvette. It has been described here several times. Two options to enhance your Corvette purchase are also available through the Museum. They are the Buyer's Tour and the Corvette Photo Album. If you have ordered or were planning to order a C7, these are must do items.

Edie and I did both of these and will do them again if and when we order a new Corvette. Robert and Linda Shellberg and Rick and Virginia Herrick will be doing both the Buyer's Tour and Photo Album this month as part of their C7 purchase. Brief descriptions of these programs follow. More detailed information is on the National Corvette Museum website.

Corvette Buyer's Tour

You and one guest see and experience the assembly of YOUR Corvette with your very own personal guide.

The tour begins at body assembly with installation of seats, doors, trunk, windshield, etc., then to the marriage of body and chassis, followed by the first start, the end of line and testing. Every effort is made for you to be able to be the first person to start your car. I did that and it was really exciting. It is the only opportunity to see the odometer at "0".

Depending on your car's schedule the tour usually takes parts of two days. If you are very lucky and your build starts very early in the day, it will be finished that afternoon. If you are unlucky, like Edie and I were, the car could start on Friday and be completed on Monday.

It is advisable to schedule your tour as soon as your car receives an order number. The total cost of the Buyer's Tour is \$800.00 and worth every penny to a Corvette enthusiast.

Corvette Photo Album

Whether you are ordering to take delivery at the Museum, participating in the Buyer's Tour or simply ordering your new Corvette to be delivered at your dealer – the NCM can help preserve a monumental part of your Corvette's history with a 20 page photo album that captures the complete build of your new Vette.

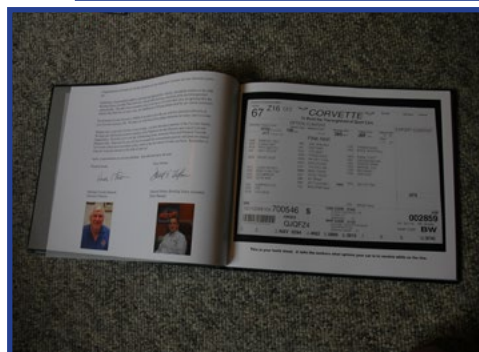

The 15"x 12" album is created with the highest quality photo paper preserved in a padded leather cover with high quality stitching detail, and includes:

- 20 plus pages of photos and text capturing your Corvette's build process
- Letter of authentication
- Letter from GM Bowling Green Plant Manager and the National Corvette Museum Executive Director
- Back page autograph area for memorable moments/events.

The photo album must be ordered 10 days before the car is scheduled to be built. However, it is advisable to contact the Museum as soon as the car's order number is assigned.

This amazing album is well worth the \$700.00 cost. A package price is available if you opt for both the tour and album. It is \$1,300.00, saving you \$200.00.

If you would like to see an album, let me know and I will bring ours to a club meeting. As to the tour, I can only tell you we would do it again.

If you are not a member of the NCM, join! The \$100 family membership is only \$75. You can save that in a year if you purchase enough from the Museum store.

To get the LSCC discount, or for anything else NCM, please contact Johnny Downs, 903/564-3069, 214/384-8565 or ediewoww@aol.com.

Competitive Events

Mike Krieger, Competitive Events Officer

My 2 year term as CEO is about up and the position soon will be available!

It has been a great two years serving on the BOD as CEO (Competitive Events Officer) but my time is about to expire come December. This is the easiest position by far on the board because there are people already in place to do all our work; John takes care of the Auto-X, Martha handles the ¼ mile events, Mike Hill does the Open Road Racing and I will continue to handle the HPDE events and Road Rally's. So the hardest thing left to do is have fun with the other BOD members and come up with an article each month to fill this spot!

Anyone interested in this position, please let me know. I will be more than happy to spend time with you to make sure you are comfortable with what the job entails, should you want to be nominated for this position. The best way to enjoy the club is to GET INVOLVED!

If you enjoyed the time we had on the new NCM track and would like to continue with your driving education, check out the October one day events put on by [APEX](#) at Motorsports Ranch in Cresson. The September class is already full so don't delay grabbing an October slot. Another one day driving event can be found at [Eagles Canyon Raceway](#). Check the website for specifics. If you would like the full two day weekend event, look at [PCA](#) on September 26th and 27th. They generally always have openings for non-"P" car owners and put on a very well organized event to boot!

If you are into Road Rally's, check out the [SCCA](#) page and be sure to click on the [LSCC](#) home calendar page for LSCC Auto-X, Open Road Racing, Drag Racing and all the Car Show events in and out of the area.

Have you purchased a new Stingray or Z06 (or about to) and have not yet attended the [Ron Fellows Driving School](#)? Well here's your chance to attend the driving school with a group of fellow LSCC members. DO NOT waste any time making plans for October 28th and 29th. We have a group of Potential Hot Shoes headed for Spring Mountain NV where the open slots are filling up fast! Here's the contact info for you to secure your spot with the group. Call Darci Bolen at; Toll Free: 800-391-6891 or direct (775) 727-6363 or email; darci@racespringmountain.com. Just tell her you are with my group, give her your VIN number and a credit card, then ask for the 2nd room night (\$110 extra) and you will be set.....**BUT DO IT**

NOW because slots are **limited** and filling fast!

If you have purchased a new car and are **not** planning on attending, please let [me](#) know ASAP! There are a few people that would like to negotiate with you for your slot.

Autocross

John Slaughter, Coordinator

The LSCC autocross will be held on the third Saturday of each month beginning in March and ending in November.

We will be holding our events at Brookhaven College. Brookhaven is located at 3939 Valley View Lane (Valley View Lane and Alpha Road) in Farmers Branch. We will be racing on parking lot P2. P2 is concrete rather than asphalt. This is the link of the Brookhaven [campus map](#).

Setup will begin at 8:30 am. For those helping with set up, be there at 8:30 am. The more help we have the quicker we get to start. Drivers should be there no later than 9:00 am to register and sign waivers. We begin racing at 9:30 am.

The fee to drive is \$15 per car. All drivers and passengers must be members of LSCC. Drivers and passengers must wear a helmet when on the course. Non-members must remain in a designated spectator area and may not enter the pits when anyone is on the course.

Dates for the autocross are: **September 19th, October 17th and November 21st** (rain date).

I look forward to seeing you there.

Recreational Events

Curt Troster, Recreational Events Officer

Mecum Auction in Dallas on September 16th-19th:

LSCC has been selected to help with the Mecum Auction. This is always a popular event for the Club, and one that provides a significant contribution to our Club Members. Over the years, through our volunteer efforts we have raised several thousand dollars while working hard to make the Mecum Auction successful.

IMSA race, Lone Star Le Mans, at Circuit of The Americas in Austin, Texas on September 18th -20th:

Come watch the race and visit the Corvette Corral. Tickets are now available but are limited to 100 cars. Rooms are still available at the LSCC host hotel. Visit our website to register, obtain hotel information and more.

Eureka Springs Corvette Weekend in Eureka Springs, Arkansas on September 30th - October 5th:

The usual caravan for this show leaves on Thursday October 1st, but Phil Davies will no doubt put together another great drive for those who want to head to Arkansas on Wednesday, September 30th. Make your hotel reservation in Eureka Springs now. The LSCC host hotel information can be found on the LSCC website. If this is your first time to go, call the hotel and get on the waiting list.

Car Corral at the Texas State Fair in Dallas, Texas on October 11th:

The best way to see the State Fair. Park your car in the Corral, get free admission and have a place to come back to and rest. Visit our website to register and for more information.

1 4th Annual Cowtown Corvette Show in Ft. Worth, Texas on October 17th:

Another great DFW area Corvette Club and their annual Corvette only show. For more information go to www.cowtownvettes.org.

Heritage Corvette Classic in Sulphur Springs, Texas on October 23rd - 24th:

A great show that is close by. It is a super way to finish up the 2015 show circuit. Caravans are leaving Friday and Saturday. Visit our website to register and for more information.

Always check out the LSCC Events Calendar for more information on these events and others. There are always new trips, shows and volunteer opportunities for you to take part in. If you have found a show that you like and

would be willing to take a group of LSCC members with you next time you go, let us know and we will add the information to the events calendar.

In-Town Events

Markham Jones, Coordinator

Summer time has finally taken a hold on North Texas and brings us a smaller, but still a hot line up of shows and events to choose from in August 2015. Most of those shows are the usual monthly line up of cruising, car shows, and get-togethers for the DFW local show and cruise night season. Be sure to check their schedules though as many change times of day this month. Details about these events and other changes are available at the Shows/Cruise Nights Listings link on the LSCC website. Remember to check out the Members' only forum web page for any shows that others may already be attending, or post your plans to attend one as well. If you have questions or comments, please email me, Markham Jones, LsccCruiseNights@yahoo.com.

Road Trips

Phil Davies, Out-of-Town Events Coordinator

Hear ye, hear ye! The Eureka Springs Corvette weekend is coming up October 1st thru the 4th. You can now register for this trip on the LSCC website. This is always one of the more popular trips for our Club. It offers beautiful scenery, a fuel economy run, a poker run (sponsored by our Club), a major car show, great food and shopping. Again, we are planning two departure dates, October 1st and September 30th, to Eureka Springs, Arkansas.

The shortest, most direct route, leaves on October 1st and is mostly on divided highways, but it also includes the always-fun Scenic Pig Trail Byway through the Boston Mountains.

For those who have an extra day and want to experience some additional beauty and curvy roads, we will leave on September 30th, and will include lunch near Broken Bow Lake in the Ouachita National Forest on the way to Hot Springs, Ark., where we'll stay the night. We will find a fun spot to unwind in Hot Springs for dinner and fellowship. The next day we will head north on some scenic roads, visit a winery, and have a lunch at a German Restaurant. After lunch, we will head for the HWY AR-26, aka Pig Trail, to our hotel. In the past, the number of available hotel rooms has always limited the amount of LSCC members who can attend. So I have secured 10 rooms at another hotel just up the road from the one LSCC has used for years; all the hotel info is on the website. We hope to break LSCC attendance records at this show this year!!

25 Years of Corvette Fun - Bill and Linda Ullom

"Not you, Bill." LSCC member Linda Ullom got used to hearing that back when she and late husband Bill would raise their hands to volunteer for a Parade or Display. Their beloved '64 Roadster had a reputation for overheating at just the wrong time, and fellow Club Members weren't letting them forget it!

It was all in fun, of course, and the camaraderie would continue for another 2 ½ decades. **This month, Linda Ullom will become the 1st Club member to receive a 25 Year Pin.**

Linda recalls that they found LSCC while looking for experienced Corvette owners to advise them on work that needed to be done to their '64. At that time, the Club was comprised mostly of older cars, and had a very active Shade Tree Mechanic group.

The Ulloms were active members from the start. Meetings were held at a Chevy dealership in Plano; then-President Tom Douglas hosted the annual Christmas Party at his home, and the Ulloms invited everyone over for a St. Patrick's Day party for many years. Bill was the organizer of the first Club group to participate in the Big Bend Open Road Race. Two of the Ullom's good friends in the Club, Bill and Dottie Slocomb, had some fond memories:

"In the early days of the Big Bend Open Road Race, there would be a car show around the town square and a parade through the town after the car show was over. The people of Ft. Stockton turned out by the thousands. They loved it almost as much as all the participants of the race. Linda decided that since there were so many kids lining the streets that we should go to the local grocery store buy a lot of candy and throw it out to the kids. As we made our way along the parade route, Linda was busy throwing candy out to the kids and Bill was busy waving. He waved and waved and waved....so much that he looked like he was running for a local political office. From that point forward he became known as Mr. Mayor.

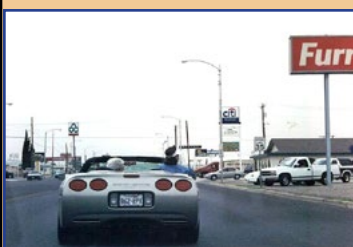

After Bill and Linda moved to Virginia they still participated in Corvette and Museum trips. Inevitably something would happen to their car. On one of the anniversary trips to the NCM the 6th gear ceased to function in their '99. Bill and Linda told the NCM that they were in possession of a very rare 5 speed C5 Corvette.

On the last Lone Star trip to the Black Hills, Bill washed the '99 so much that the back window fell out....or more correctly fell in. He then said that not only did he have a super rare C5 with a 5 speed but he also had the only C5 with a disappearing rear window. He took it to a local Chevy dealer and they used something similar to duct tape to get the window to stay put until Bill and Linda could get back to Virginia."

Linda served as LSCC Treasurer for 2 years, and was in charge of Lone Star Corvette Classic Registration for 2 years. She recalls that the first Classic was held in a parking lot at a hotel on I-75, and there was no shade! Her fondest memories are of buying their first new Corvette, a 1990 green convertible. Her favorite Club trip was the first trip to the Black Hills; they took 2 cars, the '90 and a 1996 Grand Sport convertible, because they took their 2 kids along.

Not even relocation to other States could dampen their enthusiasm for LSCC trips and activities; they remained members through moves to Atlanta and Tampa in the '90's and to Virginia in 2004.

Today, catching up with the ever-busy Ms. Ullom isn't easy. She now enjoys a silver C7, and paused briefly to chat about trips and family, as she headed home from a 3,000 mile trip in her Vette. Linda honors her husband's memory by living the Corvette lifestyle to its fullest, and we are proud to have her as a fellow member and friend.

MEMBERS BUSINESS MEETING MINUTES

Lone Star Corvette Club
Casa Cha Cha, Dallas, Texas
August 8, 2015

Robert Shellberg, President called the business meeting of the Lone Star Corvette Club to order at 12:22 p.m. Robert introduced the LSCC 2015 officers:

Robert Shellberg, President
Rick Herrick, Vice-President
Terri Krieger, Financial Officer
Sharon Troster, Treasurer
Glen Averhoff, Membership Officer
Bryan Baines, Technical Officer
Mike Krieger, Competitive Events Officer
Curt Troster, Recreational Events Officer
Carolyn Atkins, Recording Secretary
Gary Nesta, Newsletter Officer
John Raiden, 2015-2016 Classic Officer
Johnny Downs, NCM Ambassador
Craig Satterfield, Classic Chevrolet Liaison
Judy Garrett, Public Relations Manager

Robert Shellberg, President, thanked Judy Garrett for her service. Robert announced that the LSCC B.O.D. had appointed Linda Shellberg as the new Public Relations Manager.

Carolyn Atkins, Recording Secretary, requested a motion to approve the July Business meeting minutes as published in the August newsletter. There was a name correction of the owner of Mom's on Main is Steve Murray not Steve Haven. A motion was made, seconded and approved without discussion.

Terri Krieger, Financial Officer, reported the following balances:

Checking Account: \$65,936.56
Savings Account: \$25,277.15

Terri informed the members that \$25,000 from the Classic is still in the checking account. It will soon be dispersed to our designated charities. A motion was made, seconded and approved without discussion.

Glen Averhoff, Membership Officer, reported LSCC has 662 members and 1,246 memberships as of August 1, 2015. A motion was made, seconded and approved without discussion for all new members listed in the August newsletter. Three new members/guests introduced themselves.

Robert asked all LSCC members with birthdays in August to stand and Curt Troster sang Happy Birthday.

Robert reported the LSCC Scholarship Committee selected Eric Correa to be awarded a \$500 scholarship. Eric is attending Brookhaven College.

With no further business to discuss, the Business meeting was adjourned at 12:41 p.m.

COLE FAMILY ESTATE SALE

Ms. Dollie Cole was a long-time member of and supporter of Lone Star Corvette Club. If you attended any of the Saturday Night Awards Dinners at the Classic in the past two decades, you were privileged to hear her funny stories and see the beautiful gifts she presented to the recipients of the Dollie Cole Award for the Car Show.

This fall, the Cole family will host an estate sale to share the interesting, unusual, and incredible number of things collected over the years by Ed and Dollie Cole.

Here are the dates for the estate sales, which will be held at Briarpatch Ranch in Mendoza, Texas, located near Lockhart. The ranch is located in the I30/Tx183 area.

Ranch Estate "Sale of the Century" Schedule
