NEXT MEETING

Saturday, April 8, 2017

Start Time is 11:30 am

Classic Chevrolet

[1101 W Highway 114
Grapevine, TX 76051](http://1101WHighway14GrapevineTX76051.com)

817 756-6714

Thanks to everyone who attended the March meeting at Fat Daddy's in Mansfield! We had a great turnout and Fat Daddy's is an outstanding venue. Management went out of their way to accommodate LSCC and make us feel welcome. I think we will be back later this year.

Recreational Officer Tony Pittman led a meeting on February 25 on events and member engagement. Two outcomes are significant.

Most significantly, we announced our Navigation Program that will link new members with a current member who lives nearby. I'm sure we can all remember how lost and disconnected we felt when we joined. Virginia and I were given guidance by the John and Rebecca Raiden, Steve and Jo Jones and a couple who have moved away. Our Navigation Coordinator is Phil Key who has more completely described the program in this newsletter. Success depends on your participation! Please read the article and let Phil know you are interested.

Second is a list of events proposed by those in attendance. The list is included in this newsletter. Feel free to add an event, especially if you can coordinate. Please read the discussion by Tony. We need coordinators; don't worry if you have not done this before. We all had to start somewhere. Coaches will be available.

The Lone Star Corvette Classic at Texas Motor Speedway is fast approaching. We need your participation in the events and as a volunteer. A portion of your dues allows you to put your Corvette in the Show n Shine on Saturday. Then on Sunday, you can drive your car on the oval at TMS and drive the infield course. Check out our website for the entire scoop. In addition, the Classic is a 502-C-3 and eligible for your charitable donation.

Our Next meeting is at Classic Chevrolet on April 8.

Thanks to our sponsor – Classic Chevrolet and The Thompson Group.

Good Friends, Great Cars - See you on the road.

We are in the development stages of a new program to assist new members in feeling comfortable enough to become active members. Details will be described as we progress with the plan, but we are confident and delighted that **Phil Key** has eagerly accepted the role as coordinator for this important effort. Phil is a veritable warehouse of good ideas and Club experience.

Taking this new concept another step will be engaging members as coordinators of a short-term event; i.e., daytrip, local event, dinner cruise, *your choice*, etc. We won't toss you to wolves, but will pair you up with an experienced coordinator who will be available for any coaching you desire. Be certain that if we ask you to coordinate a project, and it happens to not be a good time for you to accept that responsibility, we will understand. ***The mistake we don't want to make is to not ask someone who wouldn't necessarily volunteer, but who would respond positively to being asked to help the Club on a specific activity.*** It can't be said too often, the more effort you put into this Club, the more enjoyment you receive from it.

We had a great turnout at the March meeting at Fat Daddy's. It gave a lot of members who live around the corner from many meeting places a chance to get on the road and cruise for a while. Our April 8th meeting will be at one of our favorite locations: Classic Chevrolet. And, yes, our friends at Classic will be graciously providing lunch. See you there!

***Thank you to
Classic Chevrolet
and the Classic Thompson Group
for being our sponsor.***

Navigating New Members

Phil Key

LSCC would like new members to feel welcomed and become involved. A proposal that resulted from the February 25th Brainstorming Meeting was to implement a "Navigator" or "Buddy" Program" to help new members get all the support and enjoyment that comes from being part of our LSCC family. We also recognize that new members bring new ideas to our Club, and we want to benefit from their input. Helping new members find their way benefits all of us. Remember, all of us had or still have buddies who made us feel welcomed.

The role of the Navigator or Buddy is make sure the new member feels welcomed, to inform and educate them about Club activities that are available, and to make sure they meet all of the respective coordinators. The Navigator would ensure new members understand how to access and use the LSCC website. Perhaps the key role of the Navigator is to encourage new members to have fun attending meetings, participating in events and making good friends. With all being said, the Navigator must display passionate salesmanship based upon experience as well as knowledge.

To implement this program, we want to geographically match Navigators with new members so that their "face time" outside of meetings is more readily accomplished. This means Navigators will be recruited from all areas of the Metroplex and greater north Texas.

This is a dynamic program requiring the number of Navigators needed as well as the intensity and the length of the mentoring to be fluid. The time served as a Navigator can either be open ended or limited to perhaps a year. More than likely, a Navigator may find that mentoring multiple new members simultaneously works well. Ultimately, our goal is to build new and lasting friendships. As Coordinator, it will be my responsibility to make sure there are enough Navigators for everyone who requests one. When new members join, their contact information and location will be immediately given to me to assign them to a Navigator.

We are currently recruiting Navigators and using this time to address questions and to take suggestions. Members may register as Navigators on the LSCC website.

The Bash

Are you thinking about a new Corvette and would like to know about 2018 options and colors?

Have you thought about a trip to Bowling Green to visit the National Corvette Museum and to tour the Corvette plant?

You can do both of these if you travel with us to the 2017 NCM Bash, April 27-29. Originally mentioned in the January newsletter, the Bash is arguably the best even at the Museum this year.

What makes it so great is that it marks the rollout of the next model year Corvette; the place where you can see them up close and in detail. Bash 2017 will provide enthusiasts the chance to see the new 2018 Corvette Stingray up close as well as getting all the latest information about the 7th Generation Corvette. Seminars will feature speakers discussing 'What's new in the 2018 model year', as well as using your 7th generation navigation system. As in past years there will be a large contingent of GM engineers and designers from Warren Tech Center, and the Bowling Green Assembly Plant ready to answer your every question.

If there is truth to the rumors about a new ZR1, or a mid-engined Corvette, this is where you will see and touch it.

A special one-time event at this year's Bash will be the Corvette Racing recognition dinner. This will honor Doug Fehan, Gary Pratt, Jim Miller and all of Corvette Racing for their many successes, including their 100th victory and IMSA championship this year. If you are a fan of Corvette racing this is a not to miss opportunity. Most, if not all of the Corvette Racing team will be there.

There are still reservations available for Corvette assembly plant tours during the Bash. Go to www.CorvetteMuseum.org/visit/plant-tours/ to book a tour time.

To register for the Bash itself go to www.CorvetteMuseum.org/explore/michelin-ncm-bash/. After on-line registration closes, you may register at the event.

Finally, if you need a room, I may still have some in the LSCC block, so contact me at Ediewoww@aol.com.

NCM's First Curator

After twenty-two years of operation the National Corvette Museum FINALLY named a curator. It is an exciting time to have a person whose only task is to make the "museum" part of our Museum world class.

Derek E. Moore assumed the curator position on March 6. He previously served as the curator of transportation history at the Western Reserve Historical Society in Cleveland, Ohio.

At Western Reserve, Moore was responsible for researching the history of automobiles and aviation of Cleveland and Northeast Ohio, developing exhibits and programming on

the history of automobiles, aircraft and related transportation technologies. In addition, Moore created and maintained records on the collection, developed lectures, essays and summaries for use in exhibits and publications and was responsible for the conservation and preservation of the 150+ collection of historic vehicles and aircraft.

Prior to his employment at the Western Reserve Historical Society, he served in several roles including Conservation Specialist of the Transportation Collection at The Henry Ford in Dearborn, MI and interned at the Alfred P. Sloan Museum in Flint, MI.

As Curator for the National Corvette Museum, Moore will be responsible for researching, developing and producing exhibits as well as the planning, acquisition and/or loan, safe-keeping and cataloging of collection objects and vehicles related to Corvette history.

"The National Corvette Museum is one of the most welcoming environments I've experienced. It is an incredible museum and is so unique in that it is focused on one community – and it has that community feeling about it," said Moore. "One of the biggest challenges currently facing museums is the decreasing number of visitors. Younger generations are losing interest in museums as they turn to more and more handheld technology. To bring them back to the museums, we need to work with that technology and I look forward to helping the NCM add cutting edge technology that will help freshen up the exhibits and get younger generations excited about visiting the museum."

Moore grew up in St. Charles, MI and is a graduate of Eastern Michigan University of Ypsilanti, MI with a Bachelor of Science in History. He is a member of the Society of Automotive Engineers, serves as Treasurer of the National Association of Automobile Museums, and is a past board member of the National Automotive History Collection at the Detroit Public Library.

He and fiancée, Christine Bobco, are auto enthusiasts and currently own several antique vehicles including a 1917 Overland, 1923 Peerless, and a 1961 Ford Falcon, and hope to be adding a Corvette to their collection soon.

Remember for information on anything NCM, please contact Johnny Downs 214/384-8565, 903/564-3069 or ediewoww@aol.com.

Competitive Events

Dennis Corder, Competitive Events Officer

Our **Autocross** is at Brookhaven College. The next one is on April 15th. It will be a good time to get ready for the LSCC Classic. The donation is **\$15 per car**. Helmets Ware required but loaners are available.

Drag Racing, Sunday, April 2nd, at 8:00 AM at Texas Motorplex in Ennis then April 23rd at Texas Raceway in Kennedale. I know that Allen Kaus is looking for some fresh blood to join the 1320 group!

Open Road Racers, Big Bend is coming up April 19-22 and although registration is full, you can find more information here (<http://www.bbrr.com/index.html>) or contact Mike Black at OpenRoadRacing@LoneStarCorvetteClub.com. This is not the only open road race that the group goes to during the year. Please check the web site for other events and times.

Rally, the club does not sponsor rallies at this time but I will tell you about the SCCA group that will be holding the "Tulip Time Rally" on Saturday, May 27. More information will be posted as it becomes available. Watch our web site. These are mostly themeWW type rallies. You stay on course on normal city streets and answer questions. Watch (<http://www.texascca.org/rallytime>) for more information on this event and I will post on the bottom of our rally page when I have more information.

HPDE, talk to Mike Krieger. This is **NOT RACING**. You drive at your own pace; instructors will not force you into an uncomfortable situation. This is performance driving education that will help you in your everyday driving and/or the next spirited drive you take.

The Driver's Edge will be at Motorsport Ranch in Cresson on June 10-11. Registration opens April 24 at 9AM. Register at www.thedriversedge.net

NCM Two Day HPDE during the NCM Bash April 27th and 28th. This is another awesome track! Very wide and smooth AND easy to learn. Registration ENDS on April 24.

Coming soon!

LSCC members only, FREE track days on the NCM Motorsports Park in Bowling Green, KY on June 5th & 6th. The whole 3.2 mile track is just for LSCC members. This will be AWESOME! Talk about track time! We will have Touring Laps for the faint-hearted (this is a lead and follow at freeway speeds without helmets and OK for ragtops) but be careful, this is just enough track time to set the hook! We will also have open track time with instructors as well for the want-a-be Lewis Hamiltons (helmets required and ragtops require roll bars).

These fill up fast and should be another top item on your bucket list!

As always, watch these pages or our club website for updates and new listings.

AUCTION ITEMS NEEDED

30%

Did you know that about 30% of all Classic Event Charity contributions come from the items YOU donate to the Silent Auction?

See next page for details.

CLASSIC AUCTION: HOW YOU CAN HELP

Linda Shellberg, Auction Coordinator

How can I help? I hear that all the time from LSCC members, especially when we're talking about raising money for our beneficiaries. We all want to do our part, and one of the best ways to do that is to come up with items to auction off at the Lone Star Corvette Classic.

The Classic is an annual 3-day Event held each May at Texas Motor Speedway. The Classic Auction now generates around \$25K, which is split 40% to Speedway Children's Charities, 40% to The National Corvette Museum, and 20% to Patriot Paws Service Dogs, our 2017 Rotating Charity.

Here's some items that sell very well in the Silent Auction:

- Toiletries, makeup, and perfume baskets
- Car cleaning supply baskets
- Wine baskets
- Corvette-related jewelry
- Framed Corvette-related prints, posters and photographs
- "Man-Cave" or Garage items
- Corvette and car-related books and paperbacks
- New or gently-used after-market Corvette accessories
- Corvette-related luggage, bags, purses, billfolds
- Restaurant gift certificates
- Hand-made craft items
- Diecasts and hot wheels

For the Live Auction, these bring big money:

- Items with celebrity autographs, especially Corvette-related
- Tours and tickets to exclusive places (charter plane tours)
- Hotel gift certificates
- Rare or high-end jewelry
- Rare Corvette memorabilia (book signed by Ed Cole, for example)
- Certificates for wheels, exhausts, headers
- Hand-made quilts

What you can do:

- Ask the people you do business with for donations
- At the Club Meetings, if you win something in the RAFFLE you already have, donate it to the Auction
- Ask the restaurant where you eat regularly to donate a gift certificate
- When you're at a yard sale, garage sale or craft fair, pick up inexpensive items that can be grouped into gift baskets

You can bring your items with you to the monthly Club meetings; if you have a large item, let me know ahead of time. We need everything no later than the Club Meeting in May. Thanks, let's break our record again this year!

Let's get busy!

Classic Car Display

Curt Troster

This year we will be featuring Vietnam-Vietnam era (1960-1975) Vets and their 'Vettes. If you are interested in participating, please e-mail to me at Curtis.troster@xerox.com your name, year, model, and color of the corvette you want to display. Remember all cars must be registered for the Classic in either show-n-shine or judged. Also include a brief word attachment with your name, rank, unit or units and the years you served. If anyone has a POW-MIA flag, it would be nice to bring along to the show. That flag brought that war to the fore-front. If you want to bring along some of your military articles, i.e. awards, uniforms or other items feel free to place it with your car for display. We have a good number of veterans in our club from this time period, and it would be nice to honor them. Vets are viewed a lot differently now than when they served back then. Thank-you for your service.

IMSA WeatherTech SportsCar Championship

Friday, May 5 - Saturday, May 6

The Lone Star Le Mans you know and love has expanded! IMSA and WEC have split into individual events, giving you two separate weekends of fast cars, entertainment and unparalleled series access at COTA. Not only that, you don't have to wait until September to feed your need for speed. IMSA will be here the first week in May!

With 600 horsepower engines roaring and cars reaching up to 200mph, this will be an unforgettable weekend for car-lovers and thrill-seekers.

IMSA WeatherTech SportsCar Championship features many opportunities to get close to the cars and drivers with an open paddock, a fan grid walk and autograph sessions. Plus, with two styles of cars and four classes racing over the weekend, you'll get to explore a variety of manufacturers such as Corvette, Ferrari, Ford and Porsche.

For more information, or to purchase tickets via phone, give us a call at 512.655.6300. You can also email us at sales@circuitoftheamericas.com.

NCM Motorsports Park HPDE Track Day

June 5th & 6th

The National Corvette Museum embarked on one of the most exciting and significant expansion projects in the nearly 20-year history of the Museum when on June 28, 2013 it broke ground on a 184 acre Motorsports Park. The \$20 million, dual-track attraction will provide motorsports enthusiasts with a new favorite destination. The two circuits, "East" and "West" can be combined into multiple configurations ranging from a high speed loop of 1.96 miles to an extended 3.15 mile technical course. The teams at Corvette Racing and Pratt and Miller advised the Museum on the layout, incorporating features from their most challenging track, the Le Mans circuit. The facility welcomes all makes and models of vehicles, including motorcycles.

LSCC was instrumental in donating land during the construction of the NCM Motorsports Park and earned several private track days in the process. So, we will be traveling to Bowling Green to "cash-in" on two of those days. We will have the entire park to ourselves. Repeat - We will have the entire park to ourselves! Imagine traveling to Disney World and having free run of the Park. It's kind of like that, but only better.

These track days were provided by the generous donations from the Lones Star Corvette Club and from individual donars within the Club. Below is a list of contributors as listed in the July 2014 LSCCW Newsletter.

Donors are listed in chronological order of their first \$100 donation. Some contributed more than once, but are listed only once.

Robert & Linda Shellberg	GH & Gaila Hodges
Ken & Charlotte Smith	Robert & Lori Hora
Johnny & Edie Downs	Robert Paton
Glen & Kerrie Averhoff	Robert & Susan Hauk
Phil & Karen Pitalo	Robert & Jean Young

Tom & Charlene Snodgrass	Daniel & Janet Gallineau
Karl & Audrey Samuel	Mike & Janelle Bell
Craig & Laura Satterfield	Bill & Dottie Slocomb
David & Jackie Orrick	Phil & Carolyn Elmore

So mark **June 5th and 6th** on your calander for this unique oppertunity to experience a world class track. Stayed tuned for more information or contact Mike Krieger, Mike Bell or Johnny Downs for more information.

27th Annual

Eureka Springs Corvette Weekend

By Phil and Kristina Davies

October 5 – 8, 2016

Kristina and I have been LSCC members for nearly 10 years and I think this will be our 8th year attending this event.. so we obviously have enjoyed it, as have many others who've been going much longer than we have! If you have never been on a LSCC caravan, I would like to reach out and invite you to a super fun trip this October. After all, who does not like to drive the best car made, on some of the most beautiful roads in America, enjoying friends during a nice meal while sharing in a well-run, activity-filled weekend with other Corvette enthusiasts. If this has a spark of interest, well, all you need to do is sign up on the LSCC website and save the date. We will communicate the trip details down the line via email.

As usual, we will have two departure dates. The shortest, most direct route leaves on Thursday, October 5th, and is mostly on divided highways and typically includes the scenic Pig Trail Byway through the Boston Mountains.

For those who have an extra day and want to experience some additional beauty, curvy roads and desire a little culture, we will leave on Wednesday, October 4th. This caravan will gather and leave from the Oklahoma Welcome Center and head to Broken Bow where we will stop for lunch. After lunch, we will head north thru Ouachita National Forest to our hotel in Rogers, AR. After a restful night, we will head to Bentonville to visit the Walmart Museum and Crystal Bridges Museum of American Art. A sit down lunch is being planned at the Eleven Restaurant in the Crystal Bridges Museum. After lunch, we are looking into two private museum tours: the "Collection Highlights" and the "Temporary Exhibition" (Chihuly: In the Forest). <http://crystalbridges.org>. From there we will head to our hotel in Eureka Springs.

If this will be your first trip to Eureka Springs, there are lot of things to check out in the well-preserved town of Eureka Springs set in the Ozark Mountains of northwest Arkansas. A trolley is available from most hotels to take you off for wonderful day of shopping and investigating all the historical gems of this idyllic town. A short drive out of town will take you to Thorncrowne Chapel or the suspended bridge.

If shopping and eating is not your thing, then let's check out the fuel economy run. The fuel economy run is on Saturday morning navigates about 80 miles of scenic country roads; you compete with others in your class for the best fuel economy. You say you do not want to compete. No problem, follow the route instructions and enjoy the sights, sounds and the smells of the countryside. All the hotel info is now on the LSCC website. So what are you waiting for...let's save the wave.

CLASSIC 2017 VOLUNTEERS STILL NEEDED

TO: All Lone Star Corvette Club Members

SUBJECT: Classic 2017 Volunteer Opportunities

It's that time of year again! Classic 2017 is less than 90 days away (May 19th – 21st). While this may seem a long time from now, it will be here before we know it. Every year the Club counts on the Classic as its ONLY source of funds for its three charities: Speedway Children's Charities; the National Corvette Museum; and this year's rotating charity, Patriot PAWS Service Dogs.

Putting on the Classic is a monumental task. As most of you already know, we rely 100% on Club member volunteers to make things happen. Over 250 volunteer slots need to be filled. We are reaching out to ALL Club members to sign up to help with this amazing event. Help is needed everywhere. You can volunteer for all three days, a few hours, a day, or just one shift. Just PLEASE volunteer!

While many of our volunteers come back year after year to work the Classic, not all can or do. For this reason, we must rely as well on first-time volunteers. We cannot do it without them. New members - this is a great opportunity to get to know your fellow members and, at the same time, be an ambassador for the Club to the hundreds of Corvette enthusiasts who will be attending the Classic from across the country.

Volunteer signup for Classic 2017 is now open. As you will see, there are plenty of volunteer opportunities for all three days. "Click" on the Volunteer for Classic 2017 banner below to pick what you love to do or maybe try something new. Please take a few minutes to sign up now and avoid a call down the road.

Thanks so much for helping us with this great event. Please let me know if you have any questions. We're counting on you so be ready to make some new friends, see some great cars, and have a fantastic time!

Elaine

Lone Star Corvette Club

Fat Daddy's

March 4, 2017

Rick Herrick, President called the business meeting of the Lone Star Corvette Club to order at 12:25 p.m.

Rick introduced the LSCC 2017 officers:

Rick Herrick, President

GH Hodges, Vice President

Terri Krieger, Financial Officer

Sharon Norris, Treasurer

Joe Carrion, 2017 Classic Officer

Gary Nesta, Membership Officer

Joe Hester, Technical Officer

Tony Pittman, Recreational Events Officer

Dennis Corder, Competitive Events Officer

Carolyn Atkins, Recording Secretary

Norm Glowicz, Newsletter Officer

Johnny Downs, NCM Ambassador

Robert Shellberg, Classic Chevrolet Liaison

Linda Shellberg, Public Relations Manager

Rick Herrick, President, announced the 2017 Rotating Charity will be Patriot PAWS Service Dogs.

Gary Nesta, Membership Officer introduced 3 new members/guests. He also reported LSCC has 1,291 members and 694 memberships as of March 1, 2017. A motion was made, seconded and approved without discussion for all new members listed in the March Newsletter. Anniversary members were recognized.

Carolyn Atkins, Recording Secretary requested a motion to approve the February 2017 Business meeting minutes as published in the March Newsletter. A motion was made, seconded and approved without discussion.

Terri Krieger, Financial Officer reported on the checking and savings account balances. A motion was made, seconded and approved to accept her report without discussion.

Rick Herrick, President, introduced Phil Key as the new coordinator for our New Member/Buddy Mentoring Program. Phil would like to geographically match up a new member with an existing member to mentor them in their first year. He asked for any LSCC member interested in being a Buddy/Mentor to let him know. An article will be in the April Newsletter telling more about this new program.

Rick asked all LSCC members with birthdays in March to stand and we all sang Happy Birthday to them.

With no further business to discuss, the Business meeting was adjourned at 12:44 p.m.
