NEXT MEETING

!Date Changed!
Saturday, June 2, 2018
11:30 AM until 1:30 PM

Brookhaven College
3939 Valley View Lane
Farmers Branch, TX 75244

Just bought a new Corvette? Or just love them? Welcome, you've come to the right place!

The Lone Star Corvette Club is dedicated to the Corvette lifestyle and the people that own them.

Our Club slogan says it all:

Good Friends... Great Cars!

Founded in 1982, the Club now has over 1,000 members – each with his/her own story to tell of how they found that perfect “Vette.” Based in the Dallas – Fort Worth Metroplex, it offers just about any activity an owner of “America’s Sports Car” could want: Road Trips, Day Trips, Open Road Racing, Drag Racing, Autocross, NCRS (National Corvette Restorers Society), Car Shows, Displays and Parades, the Lone Star Corvette Classic, Club Meetings, and most of all, fun times with good friends.

Road Trips – Want to explore the wide open road? The Club takes at least one significant road trip each year, usually in conjunction with a Corvette event. A large group recently returned from a caravan to Eureka Springs, Arkansas, winning the club participation event at the show. Past trips have taken us to the Upper Peninsula of Michigan, the Barrett Jackson Auction in Scottsdale, Arizona, the National Corvette Museum’s 15th Anniversary Caravan to Bowling Green, Kentucky, and many more.

Day Trips – Want to enjoy North Texas? Just about every month finds a group of us headed somewhere in our Corvettes for a day of fun on the road. It might be for a tour of some local wineries, a trip to the Historic Fort Worth Stockyards for a cattle drive and BBQ, a car show being held by another Corvette club, a tour of members’ garages, or just a drive in the country to enjoy our cars and each other’s company.

Open Road Racing – Like to go fast in your Vette? Many Club members participate in Open Road Racing at events held in Big Bend, Texas and Arnold, Nebraska. In addition, several driving schools are offered in the DFW area where you can go to hone your driving skills. For more information, just “click” on [“Open Road Racing”](#).

Drag Racing – Want to “go fast”? Join the club Drag Racers. They compete at tracks around the Metroplex for trophies and bragging rights. Many members – both ladies and men – race cars (pickups too) in addition to Corvettes. No experience is required. For more information, just “click” on [“Drag Racing”](#).

Autocross – Want to sharpen your driving skills? Try autocross! An autocross is a timed competition where drivers navigate, one at a time, through a temporary course marked by traffic cones, usually in a parking lot. Autocross places more emphasis on car handling and driving skill than on sheer horsepower. For more information, just “click” on [“Autocross”](#).

NCRS – Want your older model corvette to be an accurate icon? Many Club members also belong to the NCRS – National Corvette Restorers Society. If you are into originality and the preservation of the Corvette as an icon, you will find many in the Club that share your passion. For more information, just “click” on [“NCRS”](#).

Car Shows – Love showing your Vette off or having it judged? On almost any weekend (except for a few in the winter), at least one group from the Club will be headed to either a local or an out-of-town car show. We usually caravan to the out-of-town shows as a group and use the trip as a good excuse to socialize and dine out together. The Club sponsors a group of members each year in the Dallas Autorama. On the first Saturday of each month, you’ll find a bunch of us at Cars & Coffee in Plano, “kicking tires” and telling tall tales about our cars.

Displays and Parades – Looking to share the Corvetter spirit? Every year we man a display of our cars in the Dallas New Car Show at the Convention Center. We also take a large contingent of Vettes to the State Fair of Texas. We’ve been asked in the past to drive Indy Car drivers around the Texas Motor Speedway’s oval before races. Christmas finds us backing up the bikers in the Great Texas Toy Run that benefits thousands of needy children in the area. The Dallas Veterans’ Day Parade has come to rely on the Club to provide cars and drivers for over 100 WWII Veterans each year. Ask any Club member who has participated and you will be told what an honor it is.

Lone Star Corvette Classic – In May of each year, the premier Corvette event in Texas is held at the Texas Motor Speedway by the Club. During its three day run, the “Classic” attracts hundreds of Corvettes and Corvette Club members from across the US and Canada. In addition, Corvette enthusiasts from around the area attend the event to take advantage of many different activities, including judged and Show N Shine indoor car shows, a variety of automotive vendors, good food, and exciting track events held on the Texas Motor Speedway’s oval and road course. 100% of the net proceeds from the Classic go to support the Club’s two main charities, The National Corvette Museum and Speedway Children’s Charities, and a third charity chosen from several candidates each year by Club members.

Club Meetings – We want you! The Club meets on the second Saturday of each month at various locations around the Metroplex. We would love to have you come to a meeting and “check us out.” I’d like to encourage you to further explore our website. A glimpse at the Club’s Event Calendar will give you a good overview of just how active and diverse our Club is. Just “click” on [“Event Calendar”](#).

If LSCC looks like a good fit, you can join and pay online. Just “click” on [“Join the Club”](#).

If you have any questions or would like some additional information about the Club, please contact me.

Sincerely,

GH Hodges
President

I love it when a plan comes together.

The Classic was fantastic, and aside from the un-foreseen Track Day rainout, it surpassed everyone's expectations. The weekend celebration of all things Corvette couldn't have happened were it not for member volunteers who filled hundreds of shifts in multiple activities. All of you who volunteered deserve a big **Thank You** from everyone who participated in the Classic.

Producing the Classic is a monumental task that requires twelve months of planning and a huge amount of organization and leadership. Mid-year we were faced with an unexpected move to Florida by our then Classic Officer. This was at a critical time, and **Rick Herrick** stepped up to fill the vacancy. Rick had to learn on the job. And, by any measure, Rick and his coordinators did a stellar job.

I ask you to always be mindful that Club events don't just happen on their own. They are the product of the creativity and hard work of fellow members who have volunteered to bring them to life. Overwhelmingly, members are supportive and appreciative of the work that is done to provide the membership with a variety of venues and events in which to enjoy the fellowship and excitement that owning a Corvette entails.

Occasionally, circumstances present that are out of our control, but be assured that your fellow members who are giving their time and talent to any event have volunteered with every desire and expectation of achieving the desired outcome.

I hope we see your name on a volunteer list making an effort to have a positive impact on the Club and a more meaningful membership for yourself.

Great Cars and Good Friends!

**Thank you to
Classic Chevrolet and Thompson Group
for being our sponsor.**

The 29th Lone Star Corvette Classic is in the books and while we don't have all the "accounting" done at the moment it was a big success. The number of participants was the highest since the 25th anniversary Classic in 2014. Unfortunately, the weather turned on us and for the 1st time in the 20 years we have held this event at TMS, we had to cancel our Sunday Track Day. That put a damper on what until then had been a super event. The Friday cruise to the Stockyards was an amazing activity, 200 Corvettes in a single procession escorted by Denton County Officers and an unbelievable group of Fort Worth Police motorcycle jockeys. I heard several stories of where they were quick to "kick out" people who dared to break into the parade. What a car show we had as well, 285 cars in the various show classes and our military display of 70 cars representing Pre-Vietnam, Vietnam and Post Vietnam Eras with a special opening ceremony by the Frisco VFW was very well received.

I want to extend a very special thank you to all the many coordinators and volunteers who stepped up and helped out in the many areas of this major annual event. As most of you know this is a major undertaking by an all-volunteer group of dedicated club members who spend many hours planning and organizing a 3-day multi-faceted event. Many hours and long days are involved, but there is a feeling of satisfaction when you see the end result and the smiles on the faces of our participants, some who come a long distance just to attend the Classic. We raised around \$20,000.00 to support or charities, National Corvette Museum, Speedway Children's Charities and YMCA Camp Grady Spruce. Your efforts and hard work made it happen.

Our next meeting will be at Brookhaven College, Sat., June 2, lunch will be available for sale. Remember this meeting was moved up a week to accommodate our members who will be attending the NCCO Show on June 9 in Shawnee, OK. If you haven't signed up for this show, please do so as we need to support their show as they do ours. The nice thing about their show is that all the registration fee goes to Toys for Tots, your check is actually made to that group, not NCCO!

NCM News

At the NCM Bash in April, there is always a lot of news about the newest model Corvette and this year was no exception. In addition, some very exciting plans for the Museum were also revealed. Since there is so much, we will share Corvette this month and Museum in July.

The 2019 Corvette presentation was hosted by Corvette Chief Engineer Tadge Juechter and Corvette Product Manager Harlan Charles. Before getting into the changes on the car for 2019, some interesting numbers were given.

Corvette still maintains a sizeable lead in sales against others in the luxury sport class. During the 2017 Calendar Year, the Corvette's share of this market was 40.3%, followed by Porsche 911 with 14.4% of market share.

A total of 7,070 Corvettes have already been produced for the 2019 model year. The Grand Sport leads the way with 36% (2,521) followed by Stingray at 30% (2,117), Z06 at 24% (1,686) and finally ZR1 at 10% (746). These numbers include cars that have been built as well as those orders that have been accepted and scheduled for production.

Some of the interesting facts about the ZR1 include a 78% take rate on the automatic transmission, 37% are the Sebring Orange Design Package, and 69% of production/orders include the high-performance ZTK package, which includes the high wing.

Arctic White, Black, and Watkins Glen Gray are the top three exterior colors with the new Sebring Orange coming in 5th out of 10 colors with 12% of production. Jet Black was the top interior with 68% while Spice Red is coming in last at just 1% of all 2019s.

Regarding the ZR1, it was pointed out that it costs the same in today's dollars as the previous C6 ZR1 model did when it was released in 2008. The Ron Fellows Driving School also is included with the ZR1. Top speed for the Convertible ZR1 with the top up is 208 mph. They haven't tested it with the top down for obvious safety reasons.

Getting into the changes for 2019, all models are factory filled with the new Mobil1 0W-40 motor oil. The new oil will allow owners to drive on the street or track without changing oil. With the previously specified 5W-

30, owners were required to change to 15W-50 for track events, and then back again. Great news for all C7 owners is that this new 0W-40 can be used in all Corvettes back to 2014.

Aside from the ZR1, the big announcements for 2019 are about colors. As mentioned the new Sebring Orange is selling quite well. In fact it is the first orange to be applied to over 10% of production since Ontario Orange in 1972.

Ceramic Matrix Gray Metallic, offered in 2018 only on the Carbon 65 model, is a full line color for 2019. Kai Spande, Corvette Plant Manager, was driving a ZR1 in this "almost white" light gray color. It looks great with the dark accent pieces and wing on the ZR1.

The big surprises were the two new colors for 2019. Shadow Gray will be replacing the very popular Watkins Glen Gray. The colors are very similar, however Shadow Gray has just a hint of blue. Production is set to begin in August.

The second new color is Elkhart Lake Blue. It will begin production in October, replacing Admiral Blue. The new color does not at all resemble the color it replaces. For those familiar with mid-year Corvettes, Elkhart Lake Blue is not similar to the 1967 Elkhart Blue. It is closer to the 1965-6 Nassau Blue.

For information on special LSCC membership pricing and anything else NCM please contact Johnny Downs 214-384-8565 or ediewoww@aol.com.

Competitive Events

David Orrick, Competitive Events Officer

Our **Autocross** is held at Brookhaven College. Turnout for the May event was great, with 27 drivers participating. We also had 49 drivers at the big Autocross event at the Classic, navigating a challenging course designed by John Slaughter and tweaked by Nick Cole. We really want to thank all the volunteers that came out in the heat to assist with the Classic event. The next Autocross dates are June 16th and July 21st and we really hope to see you there. The requested donation is **\$15 per car**. Helmets are required but loaners are available.

Drag Racing continues on Sunday, June 10th at Thunder Valley in Lexington, OK and on Sunday, June 24th at Pine Valley Raceway in Lufkin, TX. It's normally around \$30 to race and \$10 to watch. Please contact Martha Kaus at 972-467-0271 if you have any questions.

Open Road Racers, Sandhills Open Road Challenge is a 55-mile rally style open road race through the scenic Nebraska foothills on August 8th – 11th. Arguably the most demanding event of its kind in America, the SORC offers a daunting series of "S" curves, straights, and 90-degree turns to challenge the most talented of drivers. Contact Mike Black at OpenRoadRacing@LoneStarCorvetteClub.com. This is not the only open road race that the group goes to during the year. Please check the web site for other events and times.

Rally, the club does not sponsor rallies at this time but I will tell you about the SCCA group that will be holding a "**DFW Map Rally**" on Saturday, Aug. 18th. They offer the popular Games, Tours, Adventures rally, often known as the "gimmick rally". Speed is not a factor in these events. Watch (<http://www.texas-scca.org/rallytime>) for more information on this event and I will post on the bottom of our rally page when I have more information.

For **HPDE** talk to Mike Krieger. This is **NOT RACING**. You drive at your own pace; instructors will not force you into an uncomfortable situation. This is performance driving education that will help you in your everyday driving.

As always, watch our club site for updates and new listings.

NCRS

Texas Chapter

Ray Kimminau, Coordinator

The NCRS Texas Chapter was founded by local members of the National Corvette Restorers Society. Our mission is to promote the restoration, preservation, history and enjoyment of the Chevrolet Corvette. Membership in the Texas Chapter is available to all current members of the NCRS national organization. If you already own a Corvette, or are planning to purchase one and would like to know more about the NCRS and our Texas chapter, feel free to contact us at ncrstx.org.

Member Benefits

Membership in the NCRS Texas Chapter has many benefits such as restoration techniques from professionals, technical information, and publications can assist you in finding rare parts to restore or maintain your Corvette.

As a member of the Texas Chapter, you'll receive a copy of our newsletter, [The Talepipe](#), which is published quarterly. You also will have access to all the knowledge, help, and advice of other chapter members and the entire NCRS family.

We hold several local events each year. Here are just some examples of activities:

- Technical seminars
- Judging schools
- Regional meets
- Road Tour
- Charity events

Come visit us at any of our events and you can share your experience and meet other Corvette enthusiasts from the great state of Texas and all around the country.

We love our Corvettes and it's our pleasure to share with other people, whether it's to help find that first project car, repair a mechanical problem or restore an old classic to its original glory. If you share the same passion, we would love to have you join us. Still not sure? Just come to one of our chapter events and meet us. Guests are always welcome. Hot Rod Power Tour

June 9-15, 2018

[Johnny & Edie Downs](#) - Coordinator

The Hot Rod Power Tour is not a club event, but a number of club members participate each year and all LSCC members are welcome to participate.

The Power Tour is a tour including seven cities in seven days. The route is primarily two lane roads through small towns. Local residents line the roads every day to see the cars. Speaking of cars, there are no requirements. You will see everything from '23 Ford T-bucket hot rods to 2019 Corvettes.

For 2018, the route starts in Bowling Green, Kentucky and ends in Charlotte, North Carolina.

For more information on the event, go to hotrod.com/event/power-tour.

Those of us already committed have booked hotel rooms in each city and will be happy to share our list and answer any questions about the event.

Adventure Driving Tour #2

[Clark Kirby](#) - Coordinator

(2nd in a Series of Corvette Driving Adventures)

Saturday, June 23rd

10:00am – 5:00pm

If you were one of the 120 club members who registered (or didn't register, for that matter) for the last Adventure Driving Tour, you don't want to miss out on this one! This driving tour is meant to take you back to a "simpler time", featuring four stops in Glen Rose. Spend the day driving your Corvette on a short, fun UNIQUELY TEXAS tour and seeing things that you have never seen before! No fee for the LSCC driving tour but, every participant will pay a small fee for each of the two museums and the state park. **An email will be sent to participants one week prior to the event to give you the meeting location to begin the tour.**

STOP 1: Be sure to pack a picnic lunch. Our first stop in Glen Rose is Big Rocks City Park where we sit and enjoy the scenic Paluxy River and the fellowship of fellow Corvette owners during lunch. Oh, and the huge boulders!

STOP 2: This museum is uniquely different. For those that like ancient, and I mean ANCIENT history, this one is for you! Controversial? Yes! Educational? Yes! I guarantee that you will see things that you never thought existed. The Creation Evidence Museum of Texas has an impressive collection of artifacts and fossils such as the London (Texas) Artifact, the Burdick Track, the Alvis Delk Cretaceous Footprint, the Fossilized Human Finger, the Meister Print, the Handprint in Stone, and Polystrate Fossils. Cost: \$6 per person

STOP 3: If river levels permit viewing of the dinosaur tracks, the third "stop" will be a caravan through Dinosaur Valley State Park. With some of the best preserved dinosaur tracks in North America, this is a "must-see". Cost: \$7 per person

STOP 4: What trip to Glen Rose is complete without seeing dinosaurs? Dinosaur World, a commercial attraction located near Dinosaur Valley State Park, features over 100 life-size dinosaur models (some animatronic) nestled among a lush assortment of native vegetation, so believable that some visitors claim to see the creature's eyes tracking them! There are many unique photo opportunities here. Cost: \$12.75 per person (\$10.75 for Seniors 60+)

Be sure to bring a "walkie-talkie" radio and keep in touch with your fellow LSCC members on the road to adventure. Note that everyone will drive to Glen Rose at their own pace. There will not be an attempt to keep everyone together. But, those who wish to caravan together may do so. The event will be held rain or shine.

NOTE: Along with packing a picnic lunch (including beverages) in your Corvette, also bring a folding chair, sunscreen, insect repellent, bottled water and anything else which will make your driving adventure more enjoyable. National Corvette Museum 25th Caravan

27 August - 31 August, 2019

[Curt Troster](#) - Coordinator

In August of 2019, hundreds of Corvettes from all points of North America will converge on The National Corvette Museum in Bowling Green, Kentucky. This is known as the National Corvette Caravan, which celebrates every 5th anniversary of the NCM. There are all sorts of activities planned at the Museum from the 28th through the 31st.

LSCC is organizing a Caravan leaving the DFW area on Tuesday, August 27, 2019, merging with caravans from Arizona, New Mexico, and other parts of Texas. Our first stop will be Little Rock, Arkansas, where will meet the Arkansas caravan for an evening function hosted by Bale Chevrolet. On the following day, August 28th, our grand caravan will depart for Bowling Green for arrival that evening.

I know this is still over a year and a half away, but it takes a lot to plan this event. My wife Sharon and I are once again local leaders for this event. If you have never been on one of these caravans it is quite an experience. At one point on the 2009 caravan there were 15 miles of Corvettes on one of the Interstates going to Bowling Green. For more info go to nationalcorvettecaravan.com or email me, Curt Troster, at curtis.troster@xerox.com.

You will notice this all happens the week before Labor Day, 2019. I need a general head count to give to the Arkansas Caravan group, so they know how many people to plan to accommodate at Bale Chevrolet. If you are interested please sign up as soon as possible. Hotel and other info will follow.

Please respond to the survey to indicate your likelihood for participating. [TAKE SURVEY](#)

CLASSIC WRAP UP

Rick Herrick, 2018 Classic Officer

The 2018 Classic was an action-packed event Friday and Saturday. Unfortunately, for the first time in twenty years, Track Day was a total washout. Registration for Classic weekend included 865 participants. Quite a crowd! Thanks to all who participated. The Fort Worth Stockyards barbeque was sold out at 400. Cruise participants numbered about 200 Corvettes. Police officers did an outstanding job getting us from TMS to the Fort Worth Stock Yards. LSCC volunteer parking hands corralled 184 Corvettes into Rodeo Plaza. The Stock Yards folks wondered about the parking capacity, and now they know! Of course, they would need to engage our highly skilled parking directors.

On Saturday morning, our car show officially started at 11 AM when colors were presented at the Veterans Display where seventy veterans representing Korea, Viet Nam, and Post 1976 eras had staged their Corvettes. The opening ceremony was most impressive. In addition to the Veterans Display, Show N Shine participants numbered over 200, and 76 participated in the judged classes. Award winners are shown on the following pages of this newsletter.

During the Saturday night Awards Dinner, we heard from Jeff Zimmerman who is a member of the board of directors of Speedway Children's Charities, which is a long-time beneficiary of a portion of our charitable donations raised by the Classic. Jeff noted that his charity, who basically provides funding to many other children's charities and foundations, has received \$100,000 from the Lone Star Corvette Classic over the years. Quite impressive.

Unfortunately, thunderstorms washed out our Sunday Track Day. No one can recall ever having the event cancelled. We've had a few that were shortened by rain but no washouts. Now that that occurrence is behind us, we have many years of sunny Sundays ahead of us.

Finally, I would like to express a heart felt Thank You to the many Coordinators and Volunteers who got up early, stayed up late, and put in many, many hours of work to make this extravaganza happen. **Thank you so very much.**

MEMBERS BUSINESS MEETING MINUTES

Lone Star Corvette Club

Texas Motor Speedway

May 12, 2018

GH Hodges, President called the business meeting of the Lone Star Corvette Club to order at 11:30 AM.

GH introduced the LSCC 2018 Officers:

GH Hodges, President

John Raiden, Vice-President

Carolyn Atkins, Treasurer

Carolyn Elmore, Financial Officer

John Main, Technical Officer

Gary Nesta, Membership Officer

Terri Krieger, Recording Secretary

Ken Burks, Recreational Events Officer

Rick Herrick, 2018 Classic Officer

Johnny Downs, NCM Ambassador

Norm Glowicz, Newsletter Officer

Ralph Teehee, 2019 Classic Officer

Terri Krieger, Recording Secretary requested a motion to approve the April 14, 2018 business meeting minutes as published in the May Newsletter. A motion was made, seconded and approved without discussion.

Gary Nesta, Membership Officer, introduced several new members. He also reported that LSCC has 1230 members and 662 memberships as of May 1, 2018. A motion was made, seconded and approved without discussion to accept all the new members listed in the May 2018 Newsletter. Members with Anniversaries were recognized.

Carolyn Elmore, Financial Officer reported on the checking and savings account balances. A motion was made, seconded and approved to accept her report without discussion.

Rick Herrick, Classic 2018 Officer reported that Registration is going well. He stressed that there are over 200 volunteer opportunities and the Classic needs a lot of help. If you are interested in helping out, go to the Club Website and sign up.

The meeting was adjourned at 12:30 PM.

FOR SALE

12/17

2008 Corvette Convertible - From some of the YouTube videos I've seen in "Corvette racing in Texas" my car would fit in perfectly as it has a new professionally built and installed engine producing **1,100 hp/939 whp**. I am the original owner and wanting to upgrade to a newer model. The car has been professionally maintained and adult driven since new. The new engine and new transmission have less than 5000 miles. As a contact to the Performance Center, all receipts and any other information needed is available upon request. To duplicate, this car would cost over \$100k.

Miles: 44,000 miles.

Asking \$40,000.00
