NEXT MEETING

Saturday, September 8, 2018

11:30 AM until 1:30 PM

Lula Hut
210 E. Eldorado Parkway
Little Elm, TX 75068

Just bought a new Corvette? Or just love them? Welcome, you've come to the right place!

The Lone Star Corvette Club is dedicated to the Corvette lifestyle and the people that own them.

Our Club slogan says it all:

Good Friends... Great Cars!

Founded in 1982, the Club now has over 1,000 members – each with his/her own story to tell of how they found that perfect “Vette.” Based in the Dallas – Fort Worth Metroplex, it offers just about any activity an owner of “America’s Sports Car” could want: Road Trips, Day Trips, Open Road Racing, Drag Racing, Autocross, NCRS (National Corvette Restorers Society), Car Shows, Displays and Parades, the Lone Star Corvette Classic, Club Meetings, and most of all, fun times with good friends.

Road Trips – Want to explore the wide open road? The Club takes at least one significant road trip each year, usually in conjunction with a Corvette event. A large group recently returned from a caravan to Eureka Springs, Arkansas, winning the club participation event at the show. Past trips have taken us to the Upper Peninsula of Michigan, the Barrett Jackson Auction in Scottsdale, Arizona, the National Corvette Museum’s 15th Anniversary Caravan to Bowling Green, Kentucky, and many more.

Day Trips – Want to enjoy North Texas? Just about every month finds a group of us headed somewhere in our Corvettes for a day of fun on the road. It might be for a tour of some local wineries, a trip to the Historic Fort Worth Stockyards for a cattle drive and BBQ, a car show being held by another Corvette club, a tour of members’ garages, or just a drive in the country to enjoy our cars and each other’s company.

Open Road Racing – Like to go fast in your Vette? Many Club members participate in Open Road Racing at events held in Big Bend, Texas and Arnold, Nebraska. In addition, several driving schools are offered in the DFW area where you can go to hone your driving skills. For more information, just “click” on [“Open Road Racing”](#).

Drag Racing – Want to “go fast”? Join the club Drag Racers. They compete at tracks around the Metroplex for trophies and bragging rights. Many members – both ladies and men – race cars (pickups too) in addition to Corvettes. No experience is required. For more information, just “click” on [“Drag Racing”](#).

Autocross – Want to sharpen your driving skills? Try autocross! An autocross is a timed competition where drivers navigate, one at a time, through a temporary course marked by traffic cones, usually in a parking lot. Autocross places more emphasis on car handling and driving skill than on sheer horsepower. For more information, just “click” on [“Autocross”](#).

NCRS – Want your older model corvette to be an accurate icon? Many Club members also belong to the NCRS – National Corvette Restorers Society. If you are into originality and the preservation of the Corvette as an icon, you will find many in the Club that share your passion. For more information, just “click” on [“NCRS”](#).

Car Shows – Love showing your Vette off or having it judged? On almost any weekend (except for a few in the winter), at least one group from the Club will be headed to either a local or an out-of-town car show. We usually caravan to the out-of-town shows as a group and use the trip as a good excuse to socialize and dine out together. The Club sponsors a group of members each year in the Dallas Autorama. On the first Saturday of each month, you’ll find a bunch of us at Cars & Coffee in Plano, “kicking tires” and telling tall tales about our cars.

Displays and Parades – Looking to share the Corvetter spirit? Every year we man a display of our cars in the Dallas New Car Show at the Convention Center. We also take a large contingent of Vettes to the State Fair of Texas. We’ve been asked in the past to drive Indy Car drivers around the Texas Motor Speedway’s oval before races. Christmas finds us backing up the bikers in the Great Texas Toy Run that benefits thousands of needy children in the area. The Dallas Veterans’ Day Parade has come to rely on the Club to provide cars and drivers for over 100 WWII Veterans each year. Ask any Club member who has participated and you will be told what an honor it is.

Lone Star Corvette Classic – In May of each year, the premier Corvette event in Texas is held at the Texas Motor Speedway by the Club. During its three day run, the “Classic” attracts hundreds of Corvettes and Corvette Club members from across the US and Canada. In addition, Corvette enthusiasts from around the area attend the event to take advantage of many different activities, including judged and Show N Shine indoor car shows, a variety of automotive vendors, good food, and exciting track events held on the Texas Motor Speedway’s oval and road course. 100% of the net proceeds from the Classic go to support the Club’s two main charities, The National Corvette Museum and Speedway Children’s Charities, and a third charity chosen from several candidates each year by Club members.

Club Meetings – We want you! The Club meets on the second Saturday of each month at various locations around the Metroplex. We would love to have you come to a meeting and “check us out.” I’d like to encourage you to further explore our website. A glimpse at the Club’s Event Calendar will give you a good overview of just how active and diverse our Club is. Just “click” on [“Event Calendar”](#).

If LSCC looks like a good fit, you can join and pay online. Just “click” on [“Join the Club”](#).

If you have any questions or would like some additional information about the Club, please contact me.

Sincerely,

GH Hodges
President

So, this summer has been one of the hottest of my recollection, and we were here for 1980. The latter seemed to have more triple digit days, but there was something inescapable about this one. It reminds me of the sweltering August of 2014 that was summed up by a photo that was a throwaway at the time, but now had revealed a real truth. It was a shot of a solo Corvette cruising, cool as could be, through the scorching heat of the South Dakota Badlands. I put it on the cover of the September 2014 Newsletter with the caption: Any hot summer day...is cooler in a Corvette. That trip through the Badlands was on an LSCC caravan, some 50 Corvettes strong, to the Black Hills Corvette Classic in Spearfish, South Dakota. That trip was a great experience that we can hopefully repeat in the near future. For now, stay cool in your Corvette.

At the last meeting we got the final number on how much our Corvette Classic auctions raised for our designated charities. Of the \$24,000 raised, \$9,600 goes to the National Corvette Museum. The NCM has broadened it's scope of projects, including the NCM Motorsports Park. The board has collectively decided that for the LSCC part, our contribution will remain at the museum to be used in making the NCM one of the leading car museums in the nation. Consequently, we have decided to restrict the use of our donation to projects that directly enhance the Museum itself.

It's that time of the year when the Club will be electing officers for the next year. Nominations will occur in October and November, with voting following soon thereafter. If you have been a member for at least twelve months, and you have some good ideas regarding the direction and operation of the Club, please step up. We need you!

Good Friends, Great Cars!

Thank you to

**Classic Chevrolet and Thompson Group
for being our sponsor.**

John M. Raiden

LSCC Vice-President

September is here, there is a nip in the air, (just kidding) and my favorite sport – football at all levels will keep us entertained when not in our Corvettes. I personally prefer college over the NFL with my favorite teams being Texas Tech & TCU or any team playing Texas.

LSCC Officer elections will be held in early Dec. with officer nominations taking place at the Oct. & Nov. Club meetings. This is an important time for LSCC as it provides each member an opportunity to say what he or she wants for the future of the Club and how the Club should get there. Remember these are all volunteer positions, filled by fellow club members who give of their time and talent for the betterment of the Club. Anyone who has been a full member of the Club for the twelve months prior to the nomination month can run for an Officer position. Nominate yourself or ask a fellow Club member to nominate you. If you know someone that you would like to see become an Officer, discuss it with that member and get their okay before nominating them. All elected positions are open for nominations; however due to term limits, **Membership** and **Newsletter Officer** must be filled with a new person. We will also be seeking a nominee for **2020 Classic Officer** who would "shadow" the 2019 Classic Officer to become familiar with the operation of the Lone Star Corvette Classic. Event planning experience is helpful as is active participation in past Classics, but as with all Club offices there is a wealth of experience within the Club to help you.

Any current Board member will be happy to answer questions about a position. You can read the job descriptions by going to the Club website, click Information in the left panel, then click Bylaws. Go to Article VIII-Board of Directors and Article XII-Job Descriptions.

Our next meeting will be on September 8th at Hula Hut, 210 Eldorado Parkway, Little Elm, TX 75068. This looks like a fun spot with its "Mexonisian Style" food in a beachie type setting off of Lake Lewisville. As always when we meet in restaurants, please support them by purchasing lunch, otherwise we run the risk of losing them as a future meeting venue.

NCM News

This month we have some new news and some reminders about the NCM and membership.

NCM Membership

First, the best news, we have LSCC members who have recently joined the National Corvette Museum. Welcome and thanks to:

Bill and Gail Knapp

Thomas Rainey

Why join the NCM? There are a number of reasons, including:

- Free admission to the Museum.
- America's Sports Car magazine (worth the price of membership by itself).
- Discount on merchandise from the Corvette store – 10% to 15%.
- GM supplier discount on GM vehicles – more on this below.
- Discount on insurance from NCM Insurance Agency.

The list goes on and on, but in most cases, I believe LSCC members join the NCM because they support the mission of the Museum, which is "the celebration of the Corvette's invention, and the preservation of the legendary automobiles past, present and future. The Museum will serve as an educational and research model for all to enjoy."

LSCC Membership Numbers

Quite a few LSCC members believe in the NCM. This is proven out by recent numbers from the Museum.

According to their records 396 members of LSCC are also active members of the NCM. That puts LSCC's participation rate at about 35%, which is a number to be proud of. Most clubs are around 20%.

Of those 396, 142 are lifetime members of the NCM, also an impressive number.

Membership Cost

Because of LSCC's very active participation in the NCM, the Museum extends discounts to club members for

initial member dues. They are:

	<u>Regular Cost</u>	<u>LSCC Cost</u>
Individual	\$50.00	\$37.50
Family	\$100.00	\$75.00
Lifetime	\$2,500.00	*\$2,250.00

* Monthly payment plan available

Buying or Renting a Car

If you are thinking about buying a new GM car, let me remind you that as a member of the NCM

you are eligible for the GM Supplier Discount. You can save hundreds, even thousands on not only new Corvettes, but also on eligible new Chevrolet, Buick, GMC and Cadillac vehicles.

I know several NCM members that have saved many thousands off a sticker price as their GM Supplier Discount. These discounts are not available with some other offers. Be sure to check with your sales consultant at Classic/Thompson. They may have other GM discounts periodically available that are greater than the GM Supplier Discount.

If you are an NCM member, to obtain the GM Supplier Discount authorization number contact Stephanie Morrill Stephanie@corvettemuseum.org, 270/467-8837 or Becky Madison Becky@corvettemuseum.org, 270/467-8836.

If you have a need for a rental car anytime soon, this tip will not save you money but it is guaranteed to be fun.

As a part of their 100th Anniversary Hertz, in partnership with Chevrolet, is offering the C7 Z06 coupe for rent. Each one will be shod in yellow with dual black stripes – Hertz's official brand colors – and will roll on black-painted alloy wheels (19-inch front, 20-inch rear) over yellow-painted brake calipers. Inside, Hertz customers will find a custom black-leather interior with yellow stitching, and special Hertz badging that includes a centennial anniversary plaque with each car's specific model number. Give Hertz a call.

For information on special LSCC pricing for NCM memberships or anything else NCM contact Johnny Downs 214/384-8565 or ediewoww@aol.com.

Our **Autocross** is at Brookhaven College. The next event will be on Sept 15th.

North Texas Corvette Roundup

September 14 - 15, 2018

[Johnny Downs](#) - Coordinator

There will be one caravan this year, leaving on Friday. It will depart at 2:00 p.m. from the Texas Motor Speedway parking lot just south of the south tunnel and Speedway Club. The caravan will proceed west on Hwy. 114, then north on US287. At about 2:30 it will reach a roadside park north of Decatur, where it can be joined. One last stop to pick up folks will be at 3:30 at the Jolly Truck Stop ten miles south of Wichita Falls.

For 30 years LSCC members put the trip to the Roundup in Wichita Falls at the top of their "must do" list. The show ceased to exist after 2011 but has been back in force for the last two years. The great folks at WCCA have seen to it that great fun has been had by all. As evidence LSCC has had over 30 cars at the show both years.

If you have not been with us to a Corvette show, this is the perfect place to start. It is barely over 100 miles to the show. So join us and caravan on Friday, come on your own Friday evening or Saturday morning. You can easily make it before the show opens.

One of the greatest things about this show is that the entire event is held at the Holiday Inn. You never have to leave the property.

Friday night will be a cookout and social activities at the convention facility. The awards dinner and auction will also be held there Saturday night. The car show will fill the day Saturday with food trucks on premises to satisfy your hunger and thirst.

The hotel always fills to capacity, so it is imperative to make a reservation now at the

It's Showtime Again for the Mecum Auction

Craig Satterfield - Coordinator

This year the fun begins on Wednesday, October 3rd and continues four days until Saturday, October 6th. This event requires over 100 of our members and guests to drive all types of vehicles from every era and style. This event is not only one of the most fun things we do, it also benefits the Club with thousands of dollars every year. In fact, in the last six years, we have raised almost \$47,000 for the Club.

This year the Mecum Auction will be broadcast nationwide on NBC Sports Network. We will be in the same place we have been the past six years.

We anticipate about 1,200 cars going across the auction block over the four days. We will need a minimum of 40 volunteers per shift to make the auction run smoothly. This is a great opportunity for Club members to invite car buff friends to come with you to volunteer and enjoy the ride.

To participate, please go to the Club Events page to sign up for the shift you plan to work. There will be one shift on Wednesday and two shifts on the rest of the days. If you are a newcomer, I would encourage you to begin your day on the first shift to go through the official training process. Please read the guidelines when you sign up. Free parking will be provided for our volunteers.

28th Annual Eureka Springs Corvette Weekend October 4 – 7, 2018

[Olivia and Dick Krull](#) - Coordinators

For the past twenty years that I've been a member of The Lone Star Corvette Club, this is a trip I've missed only twice. In fact, four years ago in front of club members as witnesses, Olivia and I were married. This is arguably one of our club's favorite road trips and the October weather in the Ozarks is usually superb!

Included with registration for the weekend are a fuel economy run, scenic poker run which our club has sponsored for many years, parade of champions, rides for kids, for sale car corral, concert with the cats, owner's choice car show, blindman autocross, nursing home car show, scenic photo tour and a bon voyage pancake breakfast.

If you'd like to visit a quaint and rustic location in the Arkansas Ozark Mountains then this trip may be for you. Downtown Eureka Springs is nestled in a fork in the road below steep, forested hills and steep bluffs. The shops are varied and intriguing with local art and antiques to be found all around town. Roads are narrow, winding and steep as you wind your way around the cottages, bed and breakfasts, hotels and homes in and around historic old town. Dining opportunities range from the very affordable to restaurants that are four star establishments. Did I mention shopping? The UPS store is centrally located for shipping your goodies home!

Last year our club won the award for best attendance after many years of finishing in second or third place. You can help us again this year (even if you cannot attend) by registering online at:

EUREKASPRINGSCORVETTE.ORG.

Our club host hotel is:

The Quality Inn
196 E. Van Buren
Eureka Springs, AR 72632

Call the hotel (800) 828 0109 for reservations and if they're filled up ask to have your name added to the wait list as there are a few last minute cancellations each year. Should you not be able to reserve a room, contact me as I may be able to help with the names of club members who may give up their room for this year only. You can reach me by cell at (540) 808 9105 or email dickkrull@msn.com.

Should you wish to depart on Thursday, October 4th and travel in caravan with a few of your fellow members you may do so by meeting us at 9:00am at the rest stop on the east side of US HWY 75 just across the Red River in Oklahoma. We will depart at exactly 9:30am and stop for lunch midway to Eureka Springs at a location to be agreed upon by those in the group. Often, McAlester, OK is the spot most agree has the best selection of eateries. From there we will leave for Eureka by the most direct route; however, some enjoy the challenge of the historic Pig Trail Scenic Byway. The Pig Trail is an outstanding Corvette Road with hairpin turns rated for most automobiles at as little as 10 mph! It's not to be missed either coming up or returning on Sunday (less traffic) if you've never driven the "Trail"! Ask some of us to relate funny stories about driving this "Trail".

On Friday evening we invite those who are willing to help with the Poker Run to meet poolside at The Quality Inn for a meeting regarding the check point volunteers. Watch for signs posted around the hotel indicating the meeting time. The run this year will be one of our more popular routes with plenty of opportunities for driving our cars slow, fast or just making a milk run. Come and help make our sponsorship of The Poker Run another great success.

Olivia and I look forward to seeing many of our old friends once again and making new ones on the road and in Eureka Springs.

Olivia and Dick Krull

National Corvette Museum 25th Caravan

August 27 thru September 1, 2019

[Curt Troster](#) - Coordinator

In August of 2019, hundreds of Corvettes from all points of North America will converge on The National Corvette Museum in Bowling Green, Kentucky. This is known as the National Corvette Caravan, which celebrates every 5th anniversary of the NCM. There are all sorts of activities planned at the Museum from the 28th through the 31st.

LSCC is organizing a Caravan leaving the DFW area on Tuesday, August 27, 2019, merging with caravans from Arizona, New Mexico, and other parts of Texas. Our first stop will be Little Rock, Arkansas, where will meet the Arkansas caravan for an evening function hosted by Bale Chevrolet. On the following day, August 28th, our grand caravan will depart for Bowling Green for arrival that evening.

I know this is still over a year and a half away, but it takes a lot to plan this event. My wife Sharon and I are once again local leaders for this event. If you have never been on one of these caravans it is quite an experience. At one point on the 2009 caravan there were 15 miles of Corvettes on one of the Interstates going to Bowling Green. For more info go to nationalcorvettecaravan.com or email me, Curt Troster, at curtis.troster@xerox.com.

You will notice this all happens the week before Labor Day, 2019. I need a general head count to give to the Arkansas Caravan group, so they know how many people to plan to accommodate at Bale Chevrolet. If you are interested please sign up as soon as possible. Hotel and other info will follow.

The Scrap Book

Adventure Driving Tour

By Clark Kirby

The first four photos were taken at the reserved pavilion at the Paluxy Heritage Park along the banks of the Paluxy River in Glen Rose. This was our first stop on the tour, where we had our picnic lunch.

The 5th photo shows most of the cars lined up at the picnic spot.

The 6th photo shows my wife, Patty, and me at Dinosaur Valley State Park, our 4th and last stop of the tour. We are standing in the Paluxy River with dinosaur tracks visible in the rocky riverbed behind Patty.

The 7th photo was taken at the picnic spot showing three of the participants looking at dinosaur tracks in a creek bed near the Paluxy River. During our picnic, member, Bruce Jarrett, wandered over to the nearby (dry) creek that feeds into the Paluxy River. There, he noticed some dinosaur footprints in the rock creek bed. The photo shows Bruce pointing out the tracks to Kenneth and Tina Burks.

The 8th photo shows the twelve Corvettes lined up at our 2nd stop, the controversial Creation Evidence Museum. The museum is a proponent of Biblical creation and refutes scientific evolution. The evidence that the museum displays to forward their belief are many but the prehistoric iron "hammer" partially embedded in rock and the fossilized dinosaur tracks ALSO with unmistakable human footprints are the most compelling.

The 9th and last photo was taken at our 3rd stop, Dinosaur World, one of only three of these parks in the United States. The photo shows my '65 Sting Ray Coupe, the only vintage Corvette that participated that day, under the entrance to Dinosaur World.

Ready for BOTH Track/Autocross Days AND Road Trips

This Torch Red Z51 with Adrenaline Red interior has what you need to enjoy track or autocross days and road trips without changing a thing!

Yes, this car has been on the track, but it was carefully driven and meticulously maintained by an advanced driver. With oil/filter changes more often than a newborn's diaper, brake fluid flushes every 6 months (DOT4 SRF fluid), transmission and differential fluid changes annually, and kept in a private climate controlled garage with a lift for thorough pre and post driving inspections- this car is in amazing condition.

Yes, this car has been out in the rain, but its CQuartz paint protection, Llumar front clear bra paint protection film, and

hand washing only ritual has it looking better than when delivered.

No, it has never been in an accident or had any paint work.

No, it does not have any known mechanical issues. If it did, I would have had it fixed under the WARRANTY! I make sure that there are no visible issues that could potentially ruin a track day or road trip each and every time it leaves the garage. No repairs ever have to be postponed out of fear for the costs because it has a WARRANTY! And the warranty covers a guaranteed LOANER!
