## Just bought a new Corvette? Or just love them? Welcome, you've come to the right place!

The Lone Star Corvette Club is dedicated to the Corvette lifestyle and the people that own them.

Our Club slogan says it all:

### Good Friends... Great Cars!

Founded in 1982, the Club now has over 1,000 members – each with his/her own story to tell of how they found that perfect “Vette.” Based in the Dallas – Fort Worth Metroplex, it offers just about any activity an owner of “America’s Sports Car” could want: Road Trips, Day Trips, Open Road Racing, Drag Racing, Autocross, NCRS (National Corvette Restorers Society), Car Shows, Displays and Parades, the Lone Star Corvette Classic, Club Meetings, and most of all, fun times with good friends.

**Road Trips** – Want to explore the wide open road? The Club takes at least one significant road trip each year, usually in conjunction with a Corvette event. A large group recently returned from a caravan to Eureka Springs, Arkansas, winning the club participation event at the show. Past trips have taken us to the Upper Peninsula of Michigan, the Barrett Jackson Auction in Scottsdale, Arizona, the National Corvette Museum’s 15th Anniversary Caravan to Bowling Green, Kentucky, and many more.

**Day Trips** – Want to enjoy North Texas? Just about every month finds a group of us headed somewhere in our Corvettes for a day of fun on the road. It might be for a tour of some local wineries, a trip to the Historic Fort Worth Stockyards for a cattle drive and BBQ, a car show being held by another Corvette club, a tour of members’ garages, or just a drive in the country to enjoy our cars and each other’s company.

**Open Road Racing** – Like to go fast in your Vette? Many Club members participate in Open Road Racing at events held in Big Bend, Texas and Arnold, Nebraska. In addition, several driving schools are offered in the DFW area where you can go to hone your driving skills. For more information, just “click” on [“Open Road Racing”](#).

**Drag Racing** – Want to “go fast”? Join the club Drag Racers. They compete at tracks around the Metroplex for trophies and bragging rights. Many members – both ladies and men – race cars (pickups too) in addition to Corvettes. No experience is required. For more information, just “click” on [“Drag Racing”](#).

**Autocross** – Want to sharpen your driving skills? Try autocross! An autocross is a timed competition where drivers navigate, one at a time, through a temporary course marked by traffic cones, usually in a parking lot. Autocross places more emphasis on car handling and driving skill than on sheer horsepower. For more information, just “click” on [“Autocross”](#).

**NCRS** – Want your older model corvette to be an accurate icon? Many Club members also belong to the NCRS – National Corvette Restorers Society. If you are into originality and the preservation of the Corvette as an icon, you will find many in the Club that share your passion. For more information, just “click” on [“NCRS”](#).

**Car Shows** – Love showing your Vette off or having it judged? On almost any weekend (except for a few in the winter), at least one group from the Club will be headed to either a local or an out-of-town car show. We usually caravan to the out-of-town shows as a group and use the trip as a good excuse to socialize and dine out together. The Club sponsors a group of members each year in the Dallas Autorama. On the first Saturday of each month, you’ll find a bunch of us at Cars & Coffee in Plano, “kicking tires” and telling tall tales about our cars.

**Displays and Parades** – Looking to share the Corvetter spirit? Every year we man a display of our cars in the Dallas New Car Show at the Convention Center. We also take a large contingent of Vettes to the State Fair of Texas. We’ve been asked in the past to drive Indy Car drivers around the Texas Motor Speedway’s oval before races. Christmas finds us backing up the bikers in the Great Texas Toy Run that benefits thousands of needy children in the area. The Dallas Veterans’ Day Parade has come to rely on the Club to provide cars and drivers for over 100 WWII Veterans each year. Ask any Club member who has participated and you will be told what an honor it is.

**Lone Star Corvette Classic** – In May of each year, the premier Corvette event in Texas is held at the Texas Motor Speedway by the Club. During its three day run, the “Classic” attracts hundreds of Corvettes and Corvette Club members from across the US and Canada. In addition, Corvette enthusiasts from around the area attend the event to take advantage of many different activities, including judged and Show N Shine indoor car shows, a variety of automotive vendors, good food, and exciting track events held on the Texas Motor Speedway’s oval and road course. 100% of the net proceeds from the Classic go to support the Club’s two main charities, The National Corvette Museum and Speedway Children’s Charities, and a third charity chosen from several candidates each year by Club members.

**Club Meetings** – We want you! The Club meets on the second Saturday of each month at various locations around the Metroplex. We would love to have you come to a meeting and “check us out.” I’d like to encourage you to further explore our website. A glimpse at the Club’s Event Calendar will give you a good overview of just how active and diverse our Club is. Just “click” on [“Event Calendar”](#).

If LSCC looks like a good fit, you can join and pay online. Just “click” on [“Join the Club”](#).

If you have any questions or would like some additional information about the Club, please contact me.

Sincerely,

GH Hodges  
President

If you read this column last month you will remember my great anticipation for an extraordinary trip we would have on the NCM's Museum in Motion tour of the National Parks in southern Utah. This trip met or exceeded every expectation. Thanks to the expert planning and daily briefings by LSCC's own **Mike Krieger** along with NCM's **Bryce Burklow**, we all had a trip for the ages. Click [here](#) and [here](#) for some photos.

Interest in this trip was so high last year that MiM added a second trip then and two this year. Our week was the third such excursion, and Mike and Bryce had it planned to a tee. In six days we enjoyed scenic drives and national parks with enough time to thoroughly enjoy them all. One of the amazing findings was how different and unique each of the national parks are. My only disappointment from that childhood trip that I described last month to now was that there was no longer that sign for the two-headed coyote. That will just have to be written off as an opportunity lost.

Big Thanks goes out to **Bob Young**, primary LSCC coordinator for Good Guys, as well as **Tom Rainey** and **Carolyn and Ric Atkins** who stepped up at the last minute to help Bob make LSCC's participation a real success. This earns substantial money for LSCC, plus it gives member volunteers an opportunity to see the Good Guys show from the inside out.

Also, Big Thanks to **Craig and Laura Satterfield** for their continued organization of LSCC's biggest fundraiser of the year: the Mecum Auction in Dallas. Craig reports that Mecum continues to be very pleased with LSCC in providing drivers for this fabulous variety of cars. Big Thanks also goes out to the scores of LSCC member volunteers who represented the Club so well.

Plan now to attend the annual LACC Christmas Party at TMS. Space is limited and last year the event sold out, so register early!

*Good Friends, Great Cars!*

Thank you to

Classic Chevrolet and Thompson Group  
for being our sponsor.

For those that were unable to attend the October Club meeting I want to let you know that we have a full slate of nominees for 2019 Club officers. GH Hodges decided not to seek re-election as Pres. due to personal reasons, so I accepted a nomination for Club Pres. A complete listing of the 2019 officer nominations is included in this newsletter.

Additional officer nominations will be accepted at the November 10 Club meeting with elections held in early December, and our new Club officers will be introduced at the December meeting. Nominations are taken over a 2-month period to make sure all members have an opportunity to nominate someone or seek a nomination for a Club office. These are all volunteer positions, filled by fellow club members who give of their time and talent to support the Club. Anyone who has been a full member of the Club for the twelve months prior to the nomination month can run for an Officer position. While all elected positions are open for nominations; due to term limits and other circumstances, the President, Vice President, Membership and Newsletter Officer positions must be filled with a new person. Any current Board member will be happy to answer questions about a position.

Speaking of elections, don't forget that Texas will be electing a U.S. Senator, U.S. Representatives and many Down Ballot positions that will impact all of us at some point in the future. Mid-term elections tend to have low voter turnout, but they are still very important. I urge you to exercise your right & privilege, some would say obligation, and vote.

Information about the 2019 LSCC Christmas Party is on the website. The party will be at the Speedway Club at Texas Motor Speedway on Sat., December 15. We will have a seated dinner, a DJ for music and raffle items. A courtesy block of 10 rooms has been arranged at the DFW Marriott for \$99.00 + tax for those wanting a shorter drive after the party. A link to the room block is on our website.

Many thanks to Greg Thompson and the staff at the Thompson Group for hosting our October meeting, their hospitality is sincerely appreciated.

Our next meeting will be on November 10th at Brookhaven College, 3939 Valley View Lane, Farmers Branch, TX.

First, and most important are thanks to our members that recently joined or (re-joined) the NCM.

- Reuel Richardson

The preserved bricks have been cleaned, and these historic pieces of the 1953 Corvette's heritage are now available for Corvette enthusiasts to own. These unique bricks come with an engraved sequence numbered plate and certificate of authenticity. The certificate of authenticity is signed by National Corvette Museum Executive Director Wendell Strode and the Chairman of the Board. They normally sell for \$25 each.

# Competitive Events

David Orrick, Competitive Events Officer

As we move towards the end of the year, Competitive Events are starting to wind down. The fall Drag racing season is over and Track events are also slowing down for the winter. Just because events are nearly over for this year doesn't mean that we can't start thinking about next year.

Our **Autocross** is held at Brookhaven College. The final event for this year is a make up rain date on Nov. 17th. The requested donation is \$15 per car. Helmets are required and loaners are always available

**Drag Racing** is over for the season and will be back again next year. Please contact Martha Kaus if you have any questions.

**Open Road Racing** starts on January 1st with registration for the 2019 Big Bend Open Road Race held on April 24-27th. Wouldn't it be fun to blast past the police at the side of the road at any speed you like and all they do is wave! If you need any information on road racing please contact Mike Black at [OpenRoadRacing@LoneStarCorvetteClub.com](mailto:OpenRoadRacing@LoneStarCorvetteClub.com).

**Rally**, LSCC does not sponsor rallies at this time but the SCCA group will be holding their Children's Book Run on December 8th. Any four-wheel, street-legal vehicle with two people who are old enough to read is eligible to enter.

Entry fee: \$25.00. SCCA members get a \$5.00 discount.

For more information check out "Rally" on the [Texas SCCA website](#).

**High Performance Driving Education** (often known as "Tracking your car") contact Mike Krieger. This is NOT RACING, this is legally driving at speed in a very controlled environment. To be placed on the "Track Hound Newsletter" mailing list and receive information on local HPDE events, [CLICK HERE](#).

As always, watch our club site for updates and new listings.

**Corvette Wins the 2018 IMSA GTLM Championship!**

# National Corvette Museum 25th Caravan

August 27 thru September 1, 2019

[Curt Troster](#) - Coordinator

Held once every 5 years the 2019 National Corvette Caravan and NCM 25th Anniversary celebration is truly a once in a lifetime experience. LSCC has blocked 60 rooms at Hilton Garden Inn in Little Rock Arkansas our first stop in our caravan to Bowling Green, and 60 rooms at Hilton Garden Inn in Bowling Green where the celebration occurs.

In January we began accepting names on this page the LSCC website. The first 60 people registered are being offered rooms at these 2 hotels. The members that registered after the first 60 will be placed on a waiting list as rooms become available. Four years ago on the 2014 caravan, everyone on the waiting list got into the Bowling Green Hilton Garden Inn but if you don't want to take a chance you might want to consider backup plans. Go to [www.corvettecaravan.com/lodging](http://www.corvettecaravan.com/lodging). You may contact Katie Elison at the NCM (270-467-8846) or [Katie@corvette-museum.org](mailto:Katie@corvette-museum.org) for more info on local hotels. This will be LSCC's big trip for 2019 and we have 75 cars already registered. It is very important that you register on this site first as it will get you on our list for blasts of important info.

Registration has also opened up for the Anniversary Celebration and 2019 Caravan on [www.corvettecaravan.com](http://www.corvettecaravan.com). We will be part of the S.TX caravan so be sure you put this as your caravan. You must do this also to participate on the trip. Other activities you may want to do will be forthcoming on other sites. You may also want to visit the southern texas website for more info and other caravan info such as T-shirts and other caravan items avail. Local Leader Curt Troster has clings and flags avail. There is a link on the main caravan page to their site. Note we are part of S. Texas not Central Tx. Our caravan will be leaving from TMS on Tue. morning Aug 27 where we will be joining both the San Antonio group from S. Tx and the New Mexico-Az caravan. We will join other caravans as we enter Arkansas and in Little Rock then on to Bowling Green on Wednesday.

If you register and find that your plans have changed and you need to cancel, please contact the Event Coordinator, Curtis Troster, at [curtis.troster@xerox.com](mailto:curtis.troster@xerox.com) so he will be able to remove your name(s) from the list.

Ric, Tom, and I would like to thank-you for making last weekend's GoodGuys Summit Nationals one of the best the Club has ever hosted. GoodGuys management was very complementary. Thanks for all of your efforts!

As a reminder, GoodGuys will be back again next March. We have once again been asked to be the host club. The 2019 GoodGuys event calendar has yet to be published but, as soon as it is, we'll get the March event posted in ClubExpress.

Thanks again for all of your help.

# Mecum Auctions in Dallas

Craig Satterfield- Coordinator

Craig Satterfield, Big shout out to *all* the Volunteers who made Mecum.

Our President hard at work.

Mecum continues to be an impressive event that brings our great LSCC team out in droves. This year over 122 volunteers helped make the Dallas Mecum Auction one of their best. We received numerous compliments on our drivers and the sales figures were record: Of the almost 1,200 cars to cross the auction block, a high percentage (73% according to the DMN) of them sold with overall sales reaching \$30M. The top 10 sellers for the Dallas Auction are listed on Mecum's web site.

For the Club, our volunteers enjoyed driving a variety of cars and participating in the controlled chaos of constantly shifting traffic and noise that is key to a successful auction. Our knowledgeable and skilled LSCC team facilitated Mecum's efficient flow within the confines of the Kay Bailey Hutchins Convention Center. Several volunteers have become "regulars" and have established relationships with the Mecum regulars who do an amazing behind the scenes job. Many of our volunteers lost track of time, running an extra shift and even forgetting to eat! We have the best group--and Mecum agreed!

I would like to give a special shout out to Gary Nesta for driving the cars only he could, since most of our drivers are "fluffy". With the new system, the drivers were able to drive more with less down time and drove twice as many cars. Our tug drivers were exceptionally good at staging the cars without hitting anyone or anything. Pulling cars through a crowd can be a challenge, but they were careful and faithful. The drivers going across the block looked professional and adapted to the owner's, media and the unique driving challenges these cars provide. Notably, several volunteers worked all four days and rented hotel rooms to do so: Dennis and Barbara Corder (Wichita Falls), and our guests from Houston. We had several members who made it a family affair. In addition to several couples, Don Law brought his son and daughter and three of the Mendez family came together on Saturday to work the afternoon shift.

# Eureka Springs Corvette Weekend

Dick & Olivia Krull- Coordinators

Our great club has been sponsoring "The Eureka Springs Corvette Weekend" POKER RUN for over a dozen years and it all happens because of our club's dedicated members who volunteer annually.

The club wishes to extend a special thanks to club members, old and new, who pitched in on a year when our club attendance was extremely low due to club activities on the gulf coast and in Dallas.

Thank you:

***Andy & Sherion Jackson***

***Bill Waldrop***

***George & Jill Harrison***

***Keith & Darla Pierce***

***Frank & Joann Myers***

***Dale & Londa Pontius***

***Don & Judy Cast***

***Jimmy Stahrs***

***Dick & Olivia Krull***

After four years of organizing the POKER RUN, Olivia and Dick wish to move on to other areas of volunteering and invite anyone interested in heading up the planning for 2019 to contact a LSCC officer. Olivia and Dick will mentor and assist in next year's planning and operation much as others have done for them in the past, namely Steve Downs, Johnny Downs and Ken Smith. Our sincere thanks go out to those three and everyone in the club who made the runs come off without a hitch.

Ninety-seven Corvettes participated in this year's POKER RUN which was 95 miles in length and took the participants just under two hours on average to run. Three Kings won this year's event and there was a tie for second and third with hands of three Queens. Turpentine Creek Wildlife Refuge, our starting and finishing point, benefited from the generous donations of the POKER RUN participants in the amount of \$320. All in all it was another fun event with perfect weather conditions.

Thank you,

Lone Star Corvette Club

# Sulphur Springs Corvettes on the Plaza

Bob Paton- Coordinator

What a fun time we had this weekend at the Sulphur Springs Corvette Club's annual event, Corvettes on the Plaza! The weather was perfect, and the SSCC folks are so friendly and put on a great show. A big Thank You to LSCC Member Bob Paton, who took care of hotel arrangements and got us there through all the heavy Rockwall traffic. LSCC ended up winning the Club Participation Award, and lots of members took home awards and money prizes. Great day for all!

## Thank-you to The Thompson Group Classic Chevrolet

The Thompson Group at Classic Chevrolet hosted October's meeting and treated those in attendance to a fine lunch of Hard 8 BBQ. There were even Corvettes which came in the rain.

11<sup>th</sup> Annual  
TX FallenPD Tribute Event  
Highland Village, TX  
October 20, 2018

John Raiden and Tom Rainey participated in the 11<sup>th</sup> annual tribute held at the Shops of Highland Village as part of our \$1,000.00 event sponsorship. This organization provides monetary assistance to Texas families of fallen officers within 24 hours following the officers line of duty death. We were told that so far this year, 20 officers have been killed while on duty, a surprising and tragic loss. The tribute event is a community activity and includes a 5K run, bike race and a police obstacle race. We joined 20 other vendor/sponsors in support of their goal of raising \$30,000.00 this year, which they reached.
