LSCC'S HOSPITALITY TO SHINE ON LOCAL CRUISE FOR VISITING NEW ZEALAND CORVETTE FRIENDS!! SATURDAY, JULY 25TH

Bob and Jet Larson

After posting a Caravan message on the Corvette Caravan Chat in May, I received an unrelated email that has "shaken my world" with excitement! The message was from Jet Larsen and her husband of 33 years, Bob. Jet was interested in contacting the Lone Star Corvette Club for some information about visiting Texas. In addition to their beautiful 1977 (auto trans) Shark pictured above, they are picking up a "new" 2003 Torch Red Z06 from Ron Sinors (NCRS judge) in Tulsa, Oklahoma in July. The "Z" currently has 7,890 miles on it and they plan to put on about 15,000 more touring America for 90 days. By doing so, they can take it back to New Zealand and avoid having to convert it to right-hand drive. They plan to get used to steering and shifting from the wrong side of the car, and driving on the wrong side of the road, around Oklahoma for a few days before they head on down-(under) to Texas.

We all know how much fun we LSCC-ers have sharing our love of Corvettes with other Corvette owners. We also know that America's Sports car is loved the World over. Well we have a very special opportunity to share that World-Wide Corvette Experience with our new friends from New Zealand. **Saturday, July 25th, we will host a Grand Hospitality Tour of DFW for Bob and Jet.** Craig Satterfield has worked his Recreation Magic once more and put together the schedule below. Please join us on the tour at any or all of the stops. The sign up list will be out at the July 11th meeting or you may email Craig at icucorvet-te02@swbell.net.

President's Message

By Judy Garrett

It's July already, it's hot and the rain has stopped. Good time for a road trip with our favorite wheels, our Corvette. If you are like us, we don't get to drive our Vette as often as we would like. It just puts a smile on my face when we pull out of the garage and head off to our destination. After we go around the block and stop at the house again for whatever it was we forgot!

We have some exciting things coming up in the weeks ahead. The 2009 NCM Caravan of course is the week before Labor Day. There still may be some rooms in Bowling Green, Johnny Downs can let you know about that; the more the merrier! Watch the website

www.lonestarcorvette.com for car shows, khana and other upcoming events!

We appreciate John and Kerri at 21st Century Musclecars for hosting our June club meeting at their facility in Carrollton. They are also one of our Classic sponsors every year and we thank them for that.

We are finalizing all the financial details from the 20th Annual Lone Star Corvette Classic and we should have firm figures soon. We all agree it was a complete success with 570 cars in attendance and in the present economy, we are thankful for the great turnout!

Many thanks to all who volunteered their time and donated their money and goods to the cause!

Be sure to stop by Young Chevrolet for all your new vehicle needs whether it's a new Corvette or another model. Arnold and Dave are there to help us! Thanks Young for being our Club sponsor!

See you in July!
Judy Garrett

Vice President's Corner

By Linda Shellberg

Happy 4th of July! In spite of a tanking economy, swine flu, and gas prices (just to name a few headaches Americans are living with right now) we still have it pretty good – and for those of us lucky enough to drive Corvettes, well, life is great in the summer-time!

By the time you read this, Robert and I, along with the Pitalos, Satterfields, Walkers, and Grahams, will be back from Illinois and the Bloomington Gold judging. Hopefully we'll have nice little stickers on our C3's that say Survivor and Bloomington Gold Certified, but even if we don't, the trip will still be a blast, because what could be better than seeing the USA in our Chevrolets, with good "Lot Lizard" friends?? If you are a new member, this is what being in LSCC is all about: sharing good times with Corvette buddies. If you haven't gotten around to joining in on one of our club events – road racing, drag racing, car shows, weekend outings, out-of-town trips, whatever – please, please, please make that a "must do" on your bucket list. Life is short, get in those 'Vettes and have some fun!

You can start with the July club meeting at Cedar Valley Community College on Saturday July 11th. Nancy Hester will be running a Khana that day, so come on out early to enjoy the fun. Meet and greet begins at 11:30 am, and the business/social meeting starts at 12:30 pm. We'll have a catered lunch, app. \$10 per person. Bring your chairs for the Khana (and your sunscreen!). Cedar Valley College is located at 3030 North Dallas Avenue, Lancaster, Texas; for maps and directions, go to their website at www.cedarvalleycollege.edu.

There are lots of good times coming up the rest of the year, too: new friends from New Zealand are on their way, the Caravan to Bowling Green and the Museum's 15th Anniversary is just around the corner, there'll be a great visit with our pals down in Wichita Falls and Granbury, and a Christmas Party with lots of surprises! You bought it to drive, so Happy Cruising on the 4th!

May Business Meeting Minutes

By Donna Dawley

21st Century Musclecars Lone Star Corvette Club June 13, 2009

Judy Garrett, President, called the business meeting of the Lone Star Corvette Club to order. She introduced the 2009 Club officers.

Donna Dawley asked for a motion to approve the May minutes as published in the May Newsletter. The motion was seconded and approved.

Judy welcomed 2 new members/guests. Amanda Opipare asked for a motion to approve new members as published in the May newsletter. The motion was seconded and approved. She announced we now have 597 memberships with 1035 members.

Lisa Jackson reported that the club has \$52,395 in checking, \$5,012 in raffle account plus our \$10,739 high yield CD. She asked for a motion to approve the treasurer's report. It was seconded and all approved.

Judy asked for those who have birthdays for June to raise their hands. We sang Happy Birthday and offered cake to all.

Judy then adjourned the business meeting.

Respectfully submitted,
Donna Dawley, Recording Secretary

NCM News

By Johnny Downs

The 2009 NCM Caravan is less than 2 months away, so it is the big news, but some related and non-related news deserve mention. First, the caravan...

NCM Caravan

We will be departing from Texas Motor Speedway on Monday, August 31, for the trip of a lifetime. If you're going, you will be so glad you did. If you are not, there is still time to change your mind.

Just consider, a caravan of thousands of Corvettes is just the beginning. Once in Bowling Green, grand opening of the awesome 47,000 addition to the Museum will kick off all sorts of activities, including a special ceremony unveiling the plaque commemorating Lone Star's contribution to the Museum addition. A complete schedule of the anniversary celebration is at CorvetteMuseum.com

Bad News, Good News

Ernie (our old Aggie) and Betty Perkins had planned to caravan to the Museum with LSCC. Regretfully, they will not be able to. That is the bad news.

The good news is that Ernie and his car have been chosen to LEAD the caravans. His name was drawn to be one of four Corvettes to represent the Kentucky State Police and lead caravans from where they cross into Kentucky to the Museum. His car will be outfitted with state police signage and a working light bar. Sorrowfully, he will not get to keep the light bar. Gig 'em Ernie!

Hexagon Bricks

These new bricks are being installed INSIDE the new Museum addition. Installation locations cannot be specified. They are being placed adjacent to each other beginning at the north end of Corvette Boulevard. Installations of these bricks will pass under our LSCC plaque fairly soon, possibly by Labor Day.

We have one chance to beat the system. If you order a hexagon brick very soon from me, it will be made and then held until the installation of bricks reaches our plaque. In other words, order now and someday it will be placed under the

Summer Kick-Off Show

Visit to Cherokee Strip Corvette Club's show at Lake Ponca, OK.

Dale and Londa Pontius (LSCC and CSCC members) coordinated a wonderful show. The historic town of Ponca City, home of Conoco Oil, is located near famous Ranch 101 and in

the middle of Sooner/Boomer territory. Eleven cars rendezvoused in Ponca City Friday evening for a terrific cruise of 25+-year-old vehicles (one which unfortunately caught fire), hot dogs with all the trimmings and getting to know our host club. Saturday morning

found everyone cleaning off the road grim for judging in a lovely setting at Lake Ponca Park. Several rods and other unique vehicles made the show extra unique and interesting. Of the 70 or so Corvettes judged,

LSCC did very well!

The one award we didn't win was the most entries from an out-of-town club—hint hint. :>)

Clean cars, comfy chairs in the shade and lots of awards all add up to another great show!

We celebrated afterward at dinner with the CSCC and enjoyed friendly inter-club competition during Corvette trivial pursuit hosted by Londa and Merlot. We left for home Sunday morning separately exploring Route 66, Turner Falls, a fried pie shop... The setting, festivities and weather were great and we all say a heartfelt thank you to Johnny and Edie Downs for coordinating and leading the caravan for another great trip! (I personally was jazzed my nephew, who I hadn't seen in years, came with his fellow Air Force buddy from Tinker AFB in a '01 Z06 to check out the show—they loved it.)

The following email is from Bob Minerich of the Corvette Owners Club of Houston:

"I just wanted to drop a note to your entire membership to tell you just what a good time Corvette Owners Club Of Houston had again at your Lone Star Classic. I also wanted to say that as much as winning first place in my class means to me at your show I cannot express fully my delight in your membership having chosen my car this year as your favorite. I know that a lot went into making that decision and I am very grateful for that honor and would you please extend my gratitude to your membership for me? Thank You very much."

Thank you Bob for the kind words and thanks to you and your club for participating in our Classic.

A big thank you to all the volunteers that helped with the judging at the Classic. You helped make this Classic a great one—Curt Troster

In Memory of a Friend

By John Galletta, Poem by Nancy Hester

Month after month it is my job as your newsletter editor to bring you wonderful LSCC news. I take great pride and get much satisfaction from receiving news of fun trips, exciting racing adventures or a successful car show rendezvous. As I sit and read through your submissions and place them here in our newsletter I sometimes feel as if I was there, even when I wasn't.

This month, however, it is my sad duty to bring you the news of a tragic loss we have had, the passing of one of our members and dear friend to many of us, **Patricia "Trish" Chandler**.

Those of us who were fortunate to know her are truly blessed to have seen her wonderful smile, her collection of homemade jewelry and garb for the occasion, or to have shared a moment together.

Our heartfelt condolences to JD "Doc" Chandler.

Trish Chandler—you will never be forgotten.

"Trish"

I liked her smile and

I'll miss her style.

She loved her "Doc" -

in the Vette, they would rock!

At a Khana or on a cruise,
a "top-down" ride, she'd never refuse.

We all loved her brownies
or anything she would bake.
Even when she couldn't come,
she'd give them to Doc to take.

To all of us friends and
fellow club members,
Our "Trish" we do love, miss
and will always remember.

A special thanks to Sandy Galletta for organizing and putting together a great drive-in movie night and also to John for...well, marrying Sandy, and letting her put together a great night. The fun and games at their house, the cruise to the drive-in and being the experienced "Lot Lizards" that we are; the popcorn and refreshments flowed; everyone was entertaining; and the movie was great, too! So, the 'vettes got a little dusty, but it was worth it and just gave us more time to be with friends and our Corvettes (washing

them the next day!).

I hope many of you will join the Hospitality Tour on July 25th organized by Linda Walker and I for the visiting New Zealand Corvette lovers, Bob and Jett. Check out Linda's article for the itinerary and times. If you can't make it all day, just drop in at some point and say "Hi" at any of the stops. If you are eating at any of the restaurants with us, let me know so we can reserve your space.

The next "Garage Tour" (garages are optional) is August 1st for food, fun, friends and more FOOD. The Lone Star "porta-party" will be starting at Curt and Sharon Troster's for brunch at 10:00 a.m., then traveling up to Lisa and Darrell Jackson's for a late lunch. Then, we will be going "south of the border", that is the Frisco/Plano border, to Kristina and Phil Davies' for a Fajita dinner. Remember, this is a "bring-your-own-drink" event. Also, please volunteer to bring a dish when you sign up. I will let you know the menu and how much to bring once I know how many will be coming.

Email me at icucorvette02@swbell.net or sign up at the next meeting for any event.

Thanks,
Craig Satterfield, Recreational Events Officer

On the Road

By Curt Troster

With the Classic over we can get back to more out of town trips and shows. If you are interested you may still have time to get in on Vettes on the Rockies. This trip starts on Wed. July 22nd and is over after the show on Sunday the 26th. This show usually sells out but because of the economy the last I heard there were still openings. A beautiful trip to Breckenridge Colorado, which has become one of my favorite trips, with beautiful scenery and some fantastic roads for Corvettes. Contact me for more info on this one as I will be leading this one.

The next one after this is our big trip this year. The 2009 National Corvette Caravan celebrating the 15th Anniversary of the National Corvette Museum. This is a must do trip. If you have never done a National Caravan it is a once in a lifetime event which every Corvette enthusiast has to do. Our Central Texas portion of this caravan will be leaving from TMS on Mon. Aug 31st with overnight stops in Oklahoma City and Little Rock to join up with more caravans. The celebration is over Sun. Sept. 6th. As with any caravan, getting to the Museum is half the fun. You will get a chance to meet other Corvette owners from across the country with all of us ending up in Bowling Green for the celebration. Go to Corvettecaravan.com to register and make sure to sign up with the Central Texas Caravan.

Sept. 12 -13 takes us down to the coast of Texas and Vettes and Jets on the Lexington. This is your chance to have your Corvette actually on the deck of an aircraft carrier. This is an event which I believe only happens every 2 years and fills up fast. Contact Ernie Perkins at elperk@netzero.net for more info on this trip.

The North Texas Corvette Roundup is another one of our favorite trips. This one is close by in Wichita Falls and is held Sept. 18-19 a Friday and Saturday show. These guys have been doing shows for a long time with this their 28th show. **Lets go for 50 cars on this trip.** The people that put on this show are what makes this one so fun. It is all held at the Falls at Wichita Falls and once you get there and get your car cleaned up you can just sit back and relax and visit. There is a BBQ Friday nite with a car show Saturday and a banquet and awards ceremony Saturday nite. Contact me or Johnny Downs for more info or to sign up or go to wccatx.com **This a close show, let's take 50 cars.**

Eureka Springs Corvette Weekend is a unique show because it is not put on by one club but a joint effort of many clubs. LSCC has always put on the poker run part of the weekend. This year it is held Oct.1-4. This is always one of the more popular trips for our club. Beautiful scenery, a fuel economy run (yes you heard right), the poker run and a car show make this a popular show. Go to eukaspringscorvette.org for more info or contact me or Johnny Downs to sign up.

Oct. 10 is the date this year for the 3rd Annual Brazos River Corvette Club Show down in Granbury Tx. This a neat show held right on the square in downtown Granbury. There are lots of neat shops right there to visit and Granbury has one of the last Drive In theatres left that some of us visited after one of the shows a few years ago. This club is like one of our sister clubs with a number of our members in both clubs. Another good 1 day close by show. Go to brazosrivercc.com for info and to register.

Vettes on the Village down in Sandestin Florida is another new show that has had some rave reviews. This year it is a 1 day show held Saturday Oct. 17 but lets face it there is tons to do in Destin so you could make a couple of days easily out of this one. Usually by October the summer crowds are gone in Florida so it shouldn't be too crowded. This is one that Sharon and I have put on our list of shows to do in the future. Go to playgroundcorvetteclub.com for info or to sign up. We are trying to see if there is any interest in members making the trip to Florida for this show. It should be a nice drive, a great show and of course a good time with fellow LSCC members. If you think you may be interested in this trip please contact Johnny Downs at 903-564-3069 or ediewoww@aol.com. There will be sign up sheets at the next couple of meetings.
